By booking a Walters Wedding Estates venue, you are helping us make the dream come true for a couple that has sacrificed for our country. A portion of the proceeds from your wedding will be used to give a free wedding to a deserving military couple.

*“Hidden Falls was truly the venue of our dreams. We had an amazing experience with the staff through the whole planning process and the day-of was seamless. So much was included in our package which was incredible not to have to worry about catering, bar, set up, rentals, etc. The Coordinating Service was incredible and they helped with anything and everything the day of, making sure all plans were in place. Cannot recommend Hidden Falls enough!”*
