

✨ Short Bio (100–120 words)

Vanessa Grutman is the creator of **The Golden Alchemist**, a multi-seven-figure entrepreneur, speaker, and mentor to high-achieving women ready to lead from frequency rather than force. Through her elite mastermind **LUMIÈRE**, transformative retreats, she helps women shed outdated paradigms of hustle and step into sovereign wealth, remembrance, and alignment with their soul mission. With roots as an integrative health practitioner, Vanessa bridges body and energy, grounding quantum expansion in deep embodiment. Her work is a catalyst for women who know success on paper isn't enough — they're here to activate their golden timeline.

✨ Long Bio (250–300 words)

Vanessa Grutman is the visionary behind **The Golden Alchemist**, a global ecosystem designed to awaken women into their highest remembrance, sovereign wealth, and embodied leadership. After building a multi-seven-figure business as a health practitioner and entrepreneur, Vanessa realized that true success is not created through relentless doing, but through attunement to frequency and alignment with the soul.

Her signature mastermind, **LUMIÈRE**, gathers visionary women and light leaders in pods of resonance and at immersive retreats to activate their unique codes of wealth and leadership.

Vanessa's work is a fusion of ancient wisdom, quantum energetics, and practical embodiment. Drawing inspiration from her initiations in sacred lands such as Egypt and Mexico, she translates universal principles into modern pathways for women to rise without burnout, reclaim their essence, and expand into limitless wealth.

At the heart of her mission is a commitment to dismantling the old paradigms of success rooted in force and sacrifice. Instead, she opens the field for women to step into **sovereign wealth consciousness** — where leadership, prosperity, and freedom are natural expressions of who they are.

Today, Vanessa leads a movement of women who are not just building businesses, but birthing a new way of living and leading on the planet.

✨ French Bio

Vanessa Grutman est la créatrice de **The Golden Alchemist**, entrepreneure multi-sept chiffres, conférencière et mentor auprès de femmes ambitieuses prêtes à diriger depuis la fréquence plutôt que par la force. À travers son mastermind d'élite **LUMIÈRE** et ses retraites transformatrices, elle aide les femmes à se libérer des anciens paradigmes de l'effort et du "toujours plus" pour entrer dans une souveraineté financière, un état de réminiscence et un alignement profond avec leur mission d'âme.

Issue de sa formation en tant que praticienne en santé intégrative, Vanessa tisse un pont entre le corps et l'énergie, en ancrant l'expansion quantique dans une profonde incarnation. Son travail agit comme un catalyseur pour les femmes qui savent que le succès "sur papier" ne suffit pas — elles sont ici pour activer leur **ligne de temps dorée**.
