WHAT TO EXPECT

Selecting a senior photographer is a personal decision—it's important to find someone who can authentically capture your personality, style, and achievements. Your senior photos should reflect you in the most genuine way, from the little details to the big moments.

CANDID AND NATURAL

My approach is all about capturing your true personality and authentic expressions. I want your senior and grad photos to feel like you—genuine, confident, and full of life. Whether it's a joyful laugh, a reflective moment, or a spontaneous movement, I aim to create images that showcase who you are at this exciting time in your life.

TIMELESS AND ELEGANT

While I love bringing creativity to my sessions, I also believe in the power of classic, timeless photography. Your images will be a perfect balance of modern vibrance and elegant simplicity—portraits that you'll treasure for years to come. Whether you want a casual, fun shoot or a more sophisticated look, I customize each session to reflect your unique style and personality.

ATTENTION TO DETAIL

Your senior and grad photos should tell your story. That's why I take the time to understand what makes you you—your interests, your achievements, and your vision for the shoot. Whether we're at your favorite location, incorporating meaningful props, or experimenting with creative poses, every detail is thoughtfully planned to make your session a truly personal experience.

TAILORED AND PERSONALIZED

Every senior and grad is unique, which is why I personalize my approach to match your style, interests, and vision. Whether you prefer a bold, creative shoot or a more classic, timeless look, I'll work closely with you to ensure your photos reflect your personality and story. From location choices to outfit guidance and posing, every detail is customized to make your session truly yours.

♦ THE PROCESS ♦

01

INITIAL CONSULTATION

We'll do a quick consultation to discuss your vision for your senior or grad photos! Whether it's through a call, text, or email, I'd love to get to know you—your style, interests, and any ideas you have for your session. We'll also go over location options, outfits, and any must-have shots!

02

BOOKING AND CONTRACT

Once you're ready to move forward, you'll secure your session with a booking retainer and signed contract. This locks in your date and outlines the details of your session.

03

THE PHOTO SESSION

Your session day is all about having fun and feeling confident! I'll guide you through poses, help you feel natural in front of the camera, and capture a mix of candid and timeless portraits. Whether we're shooting at your favorite park, your school, or a city backdrop, this session is all about celebrating you!

04

EDITING AND RETOUCHING

After your session, I'll carefully edit your best images to enhance colors, lighting, and details while keeping everything looking natural and true to you.

05

PHOTO DELIVERY

Your final images will be delivered in a high-resolution online gallery where you can download and share them. If you choose to order prints, albums, or graduation announcements, I'll help you with that too! Plus, you'll receive a print release so you can print your images whenever and however you like.

SENIOR SESSION TIPS

CHOOSE A MEANINGFUL LOCATION

Pick a location that reflects your personality, interests, or achievements. Whether it's your school campus, a favorite park, a cityscape, or a place that holds special memories, choosing a meaningful setting will add depth and significance to your photos.

THE FIT

Select outfits that make you feel confident and comfortable while complementing your personal style. You don't need to match perfectly, but consider coordinating colors and textures for a polished look. Bring outfit changes if you'd like variety in your photos!

ADD PERSONAL TOUCHES

Incorporate items that represent you—your cap and gown, a sports jersey, musical instruments, or even your favorite book. These elements help personalize your session and make your photos truly unique to your journey.

OPT FOR THE GOLDEN HOUR

If possible, schedule your session during the "golden hour" (the first hour after sunrise or the last hour before sunset). The soft, warm lighting during this time enhances your photos with a beautiful, natural glow.

BE YOURSELF

Relax and have fun! Your session is all about celebrating you, so don't be afraid to laugh, move around, and show your personality. Whether you want classic portraits or fun, candid shots, I'll guide you through natural poses to make sure you feel comfortable and confident throughout the shoot.
