

# Ballet Petit's Spring Concert Participation Agreement Winter / Spring 2025

\*\*\*\*Performing is an important part of what dancers learn in ballet classes. Please check with your dancer's teacher, or contact Miss Peggy, for important information you will want to have before making a decision for them not to perform. We offer the option, while knowing we have information parents new to Ballet Petit or a ballet program do not probably know. Experience has shown us that receiving this new information usually leads to the decision to perform. We don't want to have disappointed dancers and parents ask to participate when the excitement gears up, when it is too late. We do understand there can be reasons not to perform, while wanting to ensure you have the information in time.\*\*\*\*

Ballet Petit is so happy to be performing our annual Spring Concert this season. We are thrilled that you are here to join us at this momentous time. We encourage you to become involved in the production so that we all can benefit from our collective experiences. Please read carefully to be sure you have made your choices and have everything included BEFORE you submit your packet. *Incomplete packets incur extra fees and cannot be processed as each component is dependent on others.*

**Most of our dancers perform annually in Ballet Petit's Spring Concert. In order to perform in this upcoming Ballet Petit production, all dancers must:**

Submit their completed registration packet no later than January 16. Class registration is possible after 1/16, but production participation is NOT. Casting will be posted in early February. **Note: All fees (except BPPCEP) are non-refundable and non-transferable once paid. This includes Production Fees as decisions are made as each dancer is processed.**

*Packets are to be submitted only once they are complete (i.e. ALL forms, deposits, AND fees) to avoid extra fees.*
