

Santa Experience
2024 Session Guide

THE *Santa Experience* PHILOSOPHY

The philosophy of our studio
is to celebrate families and memories.

“We strive to create portraits that will be
displayed in your home for years to come.

The best way to reinforce the importance
of family is with beautiful portraits that
celebrate special moments together.

Our images are created so they can be
table-top displays, hung on your wall
and told through storybooks and more!

Our studio prints all portraits selected
from your Santa Experience.
All purchased products include a matching
digital file for social media sharing.

“We are honored that you have chosen us
to help create these memories for your family.

Set of 4 \$90

Frequently Asked Questions

What should we wear for our Santa experience?

If you want a more cozy feel, we suggest light colored pajamas or night gowns. If you want a more elegant feel, nice Christmas clothes with white, cream, red, green and black colors work great as well. We encourage everyone to participate, Mom and Dad should come dressed for a few portraits as well.

Can we have more than one family in the session?

The Santa Experience is designed to flow in a certain order, capturing memories of your family along the way. When there are multiple families, or grand-parents with grandchildren from different families, it takes more time to capture those memories. In those cases, we suggest scheduling two sessions back-to-back. This will ensure that each family has enough time for their own pictures, as well as group portraits.

Do you allow pets?

We consider pets a part of the family, so feel free to bring them with you. All pets are required to be on a leash or in a carrier until they arrive. We recommend bringing a favorite toy and some treats as well.

What can I do if my child is afraid of Santa?

One of the benefits of having a private 45-minute session is that there usually is ample time for hesitant children to warm up to Santa. Santa and the photographers have several techniques to help children feel at ease. However, we suggest limiting the number of people you bring to watch the sessions. If you are worried that your child might be uncomfortable, please let us know in your pre-session questionnaire so we can adjust the environment to meet your child's needs. For example, a quiet greeting versus a loud, excited "ho-ho-ho".

What does my \$500 fee go toward?

The session fee covers Santa's fee, time in the studio and \$150 of that fee goes towards your order after the session takes place. Prints/products are sold separately.

Frequently Asked Questions

Can we take our own pictures or video?

Sorry, we do not allow any photography during your session. The photographer will alert you when it is a good time to capture a few moments of video. Please instruct any guests with you to refrain from taking photos or videos during the session.

When do we see our images?

Upon scheduling your session, you will also be prompted to schedule your viewing and ordering appointment, either in person or via zoom. This is where you will be guided through the selection process. If you are an out of town guest we recommend selecting the option for a zoom ordering appointment instead of in person. Please be sure to select the link to the zoom appointment options.

Can we place our order online?

While we do not offer online galleries to select portraits and products, we do offer a zoom ordering appointment option so we can walk you through the process of viewing, selecting and ordering of your products.

How long does it take to get my order?

Once you select, fully pay, and approve the edits on your portraits and album layout, it typically takes about 2-3 weeks to arrive. Custom items can take more time. We do our best to rush Christmas cards and small prints, but cannot guarantee delivery if ordered after Thanksgiving. We suggest booking early in the season to receive your items before Christmas. In addition, depending on your order, approvals that are returned to us quickly are helpful for fast turnaround times on your items.

Do you provide digital files?

We provide matching social media files for portraits that you purchase. Watermarked social media files may be posted on Facebook, Instagram, or other social media sites.

THE *Santa Experience* SESSION

Your Experience Includes:

45-Minute Private Visit with Santa
