## Reminders:

- Fall festival- I am so excited for our trunk-or-treat fall festival this year! It will consist of games, art, and of course getting treats! 😊 It will run from 10 am- 2pm with different time slots for you to sign up for. Rain or shine we will see you there!
- Halloween- Please dress your child in their best Halloween jammies as we trick-or-treat/ parade around the building. We will then all gather in the gym to watch a movie. Afterwards, we will have a small little party here in the classroom so if you would like to participate by sending in any treats, goodies, etc. you are more than welcome to! All I ask is that you send them in by Monday, October 25<sup>th</sup>
- Guest reader- One of the moms from the blue room has volunteered to come in and read a fun Halloween story! Not only that, but she will be bringing in their dog, ghost. He is a standard poodle who she says is very well behaved. However if your child is afraid, or has any allergies, please let me know and I will coordinate a plan so he/she does not have to participate.
- Dental hygiene month- My older sister works at dentistry for kids and each year, she & a few other coworkers of hers will come in and give a fun, hands-on presentation about dental hygiene. That is in the works for this month!
- Please remember to clean out your child's locker each week as they sometimes get very full!

## Birthdays:
