Calendar

Dear Families and Friends of St. Peter the Apostle Catholic School,

What an amazing start to the school year! We began the month of August with Meet the Teacher Night and followed that up with our Family Life Center Ribbon Cutting Ceremony the day before the first day of school. We then witnessed all our hard work come to fruition as so many excited and smiling faces arrived on the first day of school. It has been such a joy to see the Family Life Center transformed with the excitement of teaching and learning over the past few weeks. Thank you to everyone who has helped make this happen. God is good!

However, the joys we witness every day are not without sacrifice. From quick conversations in carline and calls with various families, I have had the privilege of learning some of the ways families are making great sacrifices to send their children to St. Peter's. Multiple parents drive their children to three, even four, different schools throughout Boerne and San Antonio every morning and again every afternoon. Multiple families have also taken on the challenges of additional employment to send their children here. Our teachers have been working long after students leave the building and oftentimes still come in over the weekend to prepare lessons and review student work. It has been a blessing to meet some of the incredible spouses, friends, parents, and other family members of our teachers and staff who have helped with classroom setup, purchased special materials, and provided support in countless ways.

When we sacrifice, life is begotten. We see this most directly in our Lord's passion, death, and resurrection, which opened the gates to eternal life for the entire human race. In the first chapter of his letter to the Colossians, St. Paul writes, "Now I rejoice in my sufferings for your sake, and in my flesh I

Principal, continued on page 2

am filling up what is lacking in the afflictions of Christ on behalf of his body, which is the church". When we sacrifice for another and unite that moment to Christ's suffering, He unfailingly brings forth something new. To all who have made and continue to make sacrifices so that this school can be a reality for our students and families, thank you. It is an honor to serve alongside you as we continue to worship, learn, grow, and build together.

Last but not least, we added a new section to our newsletter—Parish News. As a parochial school, we truly are a ministry of our parish. St. Peter the Apostle Catholic Church has been so generous in supporting our school through donations of time, talent and treasure. We appreciate everything our parent parish does for us and encourage all to learn more about our parish events, ways to get involved in the church community, and opportunities to contribute.

In Christ,

Ms. Brintnall, Principal

September Family Faith Challenge

Read Gospel of Mark

One of the best ways to grow in knowledge and love of Christ Jesus is to get to know Him in the Gospels. For this month's Family Faith Challenge, we encourage you to read the Gospel of Mark as a family. With only 16 chapters, Mark is the shortest Gospel and the one scholars commonly believe St. Peter influenced significantly. Families can approach this challenge in different ways. One option could be to read a small portion each night before bedtime. Another option could be to read a few chapters on Saturday or Sunday afternoons and discussing as a family. If your family reads the entire Gospel of Mark in the month of September, amazing! If you only get partially through, the Lord can still do great things with that. As with the August challenge, we would love to see photos of your family reading the Gospel of Mark together this month, so feel free to email them to bulletin@stpetersboerne.com!

September Virtue of the Month: Industriousness

September's Virtue of the Month is *Industriousness*. *Industriousness* means habitually devoting one's effort toward worthwhile goals. Focused work on academic studies, a musical instrument, or sport allows us to develop our God-given talents. Being diligent and focused with chores at home helps cultivate a strong sense of responsibility for the gifts God has given. When we practice the virtue of *industriousness* in any work that we do, we can grow in both natural and spiritual maturity.

*Prayer for Industriousness:**

Heavenly Father, You have given me the gift of this day, the gift of this moment. Help me to use my time well. Give me the grace to do all for Your greater glory.

*Industriousness Looks Like:**

Diligently completing your classwork and homework

*Industriousness Sounds Like:**

I need to stay focused and finish my classwork and homework.

Faculty Spotlight

Because safety and security of all who come to our campus is an extremely high priority, St. Peter's has contracted with Paraclete Consulting Group to provide full time security for our school as well as, over time, for all of our parish properties. Paraclete is a professional security firm that provides security to schools in and around the San Antonio area. They have been providing security for Saints Peter and Paul Catholic School in New Braunfels for the last two years. We selected Paraclete to provide these critical services after an extensive and thorough search and evaluation process.

Supervisor Chris Rhoades and **Caitlyn Judge** will be St. Peter's Personal Protective Officers (PPOs). Chris has 18 years of full-time law enforcement experience and 15 years' military service, and a Bachelor's Degree in Law Enforcement. Caitlyn has 9 years' experience specializing in immediate threat security management, with 8 years as hospital security director, and a Bachelor's Degree in Homeland Security/Security Management.

Poem of the Month

Halfway Down

by A. A. Milne

Halfway down the stairs
is a stair
where i sit.
there isn't any
other stair
quite like
it.

i'm not at the bottom,
i'm not at the top;
so this is the stair
where
I always
stop.

Halfway up the stairs
Isn't up
And it isn't down.
It isn't in the nursery,
It isn't in town.
And all sorts of funny thoughts
Run round my head.
It isn't really
Anywhere!
It's somewhere else
Instead!

St. Vincent de Paul is much more than a patron saint of thrift shops! Young Vincent became a priest hoping to advance and rise above his modest upbringing. His early ambition amounted to little when he was assigned to a poor rural parish. Here he experienced a new joy in his vocation. Hearing the profound deathbed confession of a dying servant, Vincent became more convinced of the special attention that must be given to the poor. In 1625, Vincent founded the Congregation of the Mission for the purpose of caring for the poor. Originally priests only, the mission expanded to include groups of laity who provided for spiritual and material needs of the poor in each parish. Nearly 400 hundred years later, his legacy lives on!
