"It was a beautifully run, fun, family oriented, safe, community gathering that promoted amazing camaraderie"

"Loved everything about it!!! Can't wait for the next ones in the next coming years!!!"

"I loved everything, it was such an enjoyable experience!"

"AMAZING. This was a great first event! Honestly you should all feel proud."

Value for Money

27 Enjoyed, 1 Just Okay, 0 Bad

My family was very impressed with everything we were able to do for 5 dollars.

A lot to do there for the price.

01

Petting Zoo

26 Enjoyed, 2 Just Okay, 0 Bad

The petting zoo was a huge hit with my kids.

They couldn't get enough of the petting zoo.

02

Food Trucks

27 Enjoyed, 1 Just Okay, 0 Bad

The food trucks were great.

Need a few more tables and chairs to enjoy the delicious food!

03

Face Painting

20 Enjoyed, 6 Just Okay, 2 Bad

Face painting wasn't great but nice to have.

Super difficult to get off because their eyelids & under eye were also painted.

04

Raffles

26 Enjoyed, 2 Just Okay, 0 Bad

May be best to do a last call for the raffle baskets and then use the band's mic to announce winners. Doing the baskets at the end was a little blah.

05

Scarecrow Contest

25 Enjoyed, 3 Just Okay, 0 Bad

They should have announced the winner of scarecrow contest at the event.

06

Games & Crafts

26 Enjoyed, 2 Just Okay, 0 Bad

All the activities were really fun for the kids!

Kids Loved the craft stations.

Needed more games for kids to be entertained.

07

Live Music

27 Enjoyed, 1 Just Okay, 0 Bad

The live music added to the festive atmosphere.

Music was great.

The band was great!

08

Mums Sale

22 Enjoyed, 6 Just Okay, 0 Bad

The Mums were gorgeous- my wife just bought a few elsewhere.

SOME MORE FEEDBACK

"Harvest Fest was great!! It was wonderful to have a simple fun community event to take my kiddos to that did not break the bank! Everyone I spoke to was very pleased with what their kids were able to do and I think it was a GREAT first event to build goodwill and faith with the community. Several people that I spoke with commented that they hoped this would be an annual thing and that PTA would do other similar events throughout the year. I also spoke to a few parents who had purchased tickets not knowing if they could definitely make the event because the price was so low they felt comfortable simply having it be a donation if they couldn't come to the Harvest Fest. I was there all day and did not hear any complaints from the people around me. Super event!"

"I think it was a great turn out! All that volunteered and contributed to the event were great. Everyone worked well together and the PTA committee did a great job organizing and we're on top of things. Everyone worked as a team and they did an even better job including everyone and making everyone feel needed and appreciated."

"It was great how students were involved in doing activities with the kids and running the different booths."

"I think it was great but maybe could be consolidated next year as everything seemed to spread out. A professional face painter would have added some flare but the crafts were really cute. There could have maybe been a few more games. Next year it may be best to do a last call for the raffle baskets and then use the bands mic to announce winners before they wrap up for the day. Doing the baskets at the end was a little blah. All in all I think it was a great event and even better since it was the first ever!"

"Face painting wasn't great but nice to have. Kids were a little disappointed with some but not all. Nice that the older girls volunteered to help though!"

"I thought the event was well put together for the first time. Couple things I'd review for the event in the Spring or next Fall would be; 1. Put the music away from the entrance- hard to hear when you walk right in to the event, 2. Don't have everything spread out across the entire parking lot, maybe use 1/2 the parking lot. Smaller area, but it looks busier as it's more condensed, 3. The Mums were gorgeous- my wife just bought a few elsewhere. 4. Put the food trucks and tables in the shade- if there is such a thing in that area/time of day."

"The food trucks were a fantastic idea, the breakfast truck was amazing! There was a lot of room for kids to run around and play, the animals were absolutely adorable! Such a fair price and really nicely done!"

CHANGES FOR NEXT YEAR?

13 Said "No Changes", 3 Didn't Answer, 12 Provided Feedback:

"Face painting"

"I'd like to see some local vendors next year."

"It was great how students were involved in doing activities with the kids and running the different booths."

"More games for kids and things to do."

"Bigger bag for pumpkin"

"Maybe an organized dance game for kids at a few points?"

"Raffle tickets. Stop raffles by 1:00 and do raffle basket by 1:15, so most people are there. Microphone for all to hear and use for easier communication Hay ride would be cute (I know this is probably hard) just a thought. Bounce house (pumpkin bounce house)"

"Better face painters and maybe some vendors selling items for parents to purchase etc"

"More tables and chairs to enjoy the food!"

"If possible a few more seats or tell people to bring their own chairs."

"Maybe more simple crafts or games with prizes."

"Perhaps add a kids bouncy enclosure, pony rides, dunk tank (to raise \$\$\$),"
