Aloha! I'm Ashley!

I'm your wedding photographer! It's nice to meet you!

But first I wanted to introduce myself!

I am a 27-year-old momma to a spunky, sassy, beautiful little 6-year-old girl named A'iyanna Willa!

My sweet little girl is the reason that I've been put on this path of photography. When she was born, I realized that she was growing SO QUICKLY and there was nothing I could do to stop time. So I pulled out my camera and started capturing her growing. The ball started rolling and from the first wedding I photographed, my heart was taken. That first wedding changed everything for me, and the rest is history!!

If you're like me, and you either like pretty photos, adventuring but also being a couch potato, making a complete fool of yourself, and laughing so hard your belly hurts, then I think I might be your wedding photographer. But just to be sure, let's grab a beer and get to know each other!

Why Work with Me?

I've been in love with wedding photography and nothing brings me more joy than being part of something so special. Being a wedding photographer isn't just about taking photos of gorgeous people and special times. It's about building a relationship and being a part of the start of a whole new life. I love your love almost as much as you do, and it is my joy and purpose to make you feel more than loved throughout our time together.

*First of all,
Congratulations!*

I want to make this part of your wedding process smooth and stress-free so you can focus on other things. like how you're going to be MARRIED soon!! Eeeek!!

How to Become a #AhChanCouple!

Let's Go On a Date!

Let's set a date. Let's go get coffee, or tea, or a beer.

Whatever you want! But I want to sit down with you and your fiancé and get to know you guys! I wanna know everything! Once we've had our date, you guys get some time to really think back on what you thought about our meeting. I tell all my couples to take 24-48 hours to think about it before booking me. I want us to fit like puzzle pieces! Once you've decided 'Yes!' I'll send you all the stuff to get booked right then and there!

Booking Ah Chan Photography as your wedding photographer means that you're joining a family, a family that I am so proud to have created, and I love each and every one of my brides and grooms. I love knowing that after every wedding, I leave feeling like a friend and part of the family.

*I can't wait to meet
you guys and
become friends! I
can't wait until
you're officially a
