111 S 6TH STREET

WEST END | ASPEN, CO 81611

Modern luxury meets timeless charm in this beautifully renovated West End home, just steps from downtown. With views of Shadow Mountain, classic curb appeal, and premium 2024 updates, it's Aspen living at its finest.

3 Bedroom Garage

3 Bathroom Hot Tub/Private Patio

1,960 SF Central A/C

Thoughtfully appointed with hardwood floors, Bosch appliances, and sleek modern fixtures, this home offers comfort and style throughout. The vaulted primary suite is a true retreat, while three bedrooms and three full baths provide plenty of space for guests. Enjoy the private hot tub, built-in audio, and attached garage with generous storage.
