

The Conscious Collective by Soul Pathology 2024 Calendar

Community Calls are lessons, Q&A, intuitive readings, practices, discussion designed to expand consciousness, solidify your Highest Path Forward, activate dormant cellular memory, and create greater health, wellbeing and wisdom (individually and collectively)

Weekly Practices are homework, meditations, areas of focus, directly correlating with the collective group energy and trajectory to hone focus, skills and create sustainable growth.

Monthly Energy Forecasts Voice Memos are universal and personal to our Conscious Collective and serve as a road map you can reference throughout the month to guide and direct your mind, body, spirit practices and create alignment, traction and results.

****Please Note:** The 1st and last Community calls are scheduled for 2 hours to open and close our time together fully. All other Community calls are scheduled for 90 minutes. All calls start at 6:30pm CST.
