

### ITEM CHECKLIST

When you together choose to file as joint taxpayers, you agree to consider the filing as joint in all respects. This includes the filing of a joint return, the payment of taxes, and the filing of a joint return. This includes the filing of a joint return, the payment of taxes, and the filing of a joint return. This includes the filing of a joint return, the payment of taxes, and the filing of a joint return.

Use the checklist as a long track of what you've accomplished, and if there's anything that doesn't quite fit your writing, simply mark it as "N/A."

## WEDDING PLANNING CHECKLIST

**PURCHASE VERSION WILL RECEIVE THE CHECKLIST**

WEDDING PLANNING CHECKLIST

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
