

# SAVE OUR LIBRARIES

Together, we can stop the Pikes Peak Library District (PPLD) from closing future libraries.

## The Problem

The PPLD shocked Northwest Colorado Springs by permanently closing Rockrimmon Library on December 1st 2024, with little warning, following recommendations from its 2024 Facilities Master Plan.\* **Cheyenne Mountain** and **Ruth Holley** libraries are also targeted for closure under Scenario 1 of this plan.

\* Facilities Master Plan, Pikes Peak Library District, October 2024, HB&A-ReThinking Libraries-Farnsworth Group, page ES3.

## The Solution = COS Reads + YOU

- **ADVOCATE** for transparent funding and decision-making, preserving equal access to taxpayer-funded libraries in the Pikes Peak Library District.
- **RALLY** government and community support to demand the reopening of Rockrimmon Library.
- **ORGANIZE VOLUNTEERS & FUNDING** to ensure all libraries remain vibrant hubs for everyone.

COS READS is a registered 501(c)(3)

## What Can YOU DO ?

- **VOLUNTEER:** Join our team at COS Reads to spread the word. Donate your time, books, and supplies to our interim Rockrimmon Library space.
- **TAKE ACTION:** Email local leaders, attend public meetings, speak out, and share our mission with others.
- **DONATE:** Your tax-deductible monetary contribution directly supports our campaign to save our libraries. Go to our website to donate today!
