neet ashlynn + andy

Hi friends! We are Andy and Ashlynn, two kids who met on the internet and fell in love who LOVE weddings. We've got a sweet little boy who is a year old and two crazy dogs who are along for all of our crazy adventures. Our heart is to experience as much as we can together while we can, so we spend a lot of our time with the five of us in the car on a roadtrip to see our people or exploring somewhere new. However, we pride ourselves on knowing how to enjoy an evening in! You can find us binging trashy reality tv and seeing what place that delivers has the best milkshakes on our days home.

Andy is the king of candids and can crack jokes with any group of people on the planet which makes him great with any group of groomsmen. He can be a fly on the wall or making the grandmas giggle between portraits but he's always the peace in the room. He is our lead videographer for the film side and second shooter when we aren't capturing photo + video.

Ashlynn has been described as "the hype queen" by many but notably, "the life of the party" by the pianist in a Selena tribute duo and that has been the highlight of her career. She is a woman of many words so direction is her specialty and her biggest goal is making you feel comfortable and beautiful in front of her camera. She's been shooting since she was 13 but has found that weddings truly are her favorite in her 6 years of weddings with over 150 Ashlynn Mari Photography couples having graced her camera on their big days.

We're the best team because we really are the best team. We love serving couples through their wedding planning journey and don't hate that our job sometimes means mirroring how exactly we need couples to kiss to get the right shot. Take a read through our collections and let us know if you have any questions! Thanks friends!

Frequently Asked Questions

Q: What sets you apart from other photographers?

A: I'm not just here to take insanely gorgeous photos of you on your wedding day.

My heart is to make my couples both comfortable and confident throughout the wedding planning process whether it is in posing during their engagement session, talking wedding details while planning, or throughout those special moments on your wedding day. I'm also here to serve the people you love the most, making family formals and bridal party shots a breeze! I try to make posing fun and easy while keeping the magic and individuality that is the two of you and your love story shining through!

Q: Will we get the print release to our photos after our wedding?

A: Yes! Upon receiving your images, you will also get a full print release.

Q: Do I NEED 2 photographers?

A: Having 2 photographers is great for a lot of reasons (more photos, creative angles, less splitting up time). If an additional photographer isn't in the budget for your total abount of coverage, you can add one by the hour and up until 1 month before the wedding

Q: Will my photos be posted publicly on your site or social media?

A: I respect your privacy and allow each client to decide whether or not they want their photos displayed publicly. I'd love to show off you & your images, if you're game! If not, that's okay, too.

Q: What is your turnaround time?

A: Whether it is a session or a wedding, I do my best to get previews out in 24-48 hours from your wedding day! My turnaround time for sessions is 3-4 weeks and my turnaround time for weddings is 8 weeks. Our turnaround time for teasers is 1 week

Frequently Asked Questions

Q: Do you have a list of preferred vendors to use?

A: Yes! From wedding planners to florists and caterers, we have worked with some of the best companies in the industry & would love to share their information with you!

Q: Do I have to order prints through you?

A: I highly recommend ordering prints through one of my professional vendors, but it isn't required. The difference in quality is huge when it comes to ordering through a professional lab, so I always love to help with prints!

Q: What equipment do you use?

A: We love canon and have for our whole career! We shoot with full frame, dual card slot mirrorless (yep the newest funnest tech lol) and a ton of lenses!

Q: Do you photograph destination weddings?

A: I do! My first destination wedding was in Spain and I LOVED it! I am more than happy to create a custom wedding collection to suit your travel needs.

Q: Are the people featured on your site models?

A: For the most part, no. While I am lucky enough to work with gorgeous clients, the majority of the images shown on my site and blog are of regular, paying clients.

Q: How do we reserve our wedding date?

A: A 25% deposit & signed contract is required in order to get your wedding on the calendar. The remainder of your balance is due 1 month prior to your wedding. Once you know which package is the perfect fit I will send over a proposal for you to check out!
