hello there!

Thank you for considering the CLP Team Headshot Session Experience.

In today's fast-paced, visually-driven world, first impressions are often made long before a conversation begins. Whether it's on your website, LinkedIn profile, or business marketing materials, a high quality headshot is one of the most powerful tools you have to communicate professionalism, confidence and approachability.

When you book a session with me, you won't need to worry about what to wear or how to pose. I'll guide you every step of the way, from selecting flattering clothing that photographs well, selecting colors that align with your brand and finding your best angles so you look and feel your best in front of the camera.

Be sure to follow me on social media so you can be informed of special events and promotions!!

CLIENT TESTIMONIALS

ADANA KEAHY, BROW BLISS & CO.

Having Christine shoot my photos for my salon was a game changer. She was incredibly helpful from start to finish. From the planning stages and guiding me along the way with outfit coordination of my team, to posing and of course location choice. Having this level of guidance made our session and absolute pleasure and the photos are spectacular. If you need pics of your team, Christine is the ONLY choice!
