PRICE SHEET

WELCOME

First of all—let me congratulate you on your engagement. This is such a special time in your life—one that’s filled with so much anticipation, love, and—if we’re being honest—decision making.

I’m thrilled you’ve reached out to our team! We help newly engaged couples plan beautifully lavish wedding cakes that eliminate the stress and overwhelm of the mechanics and logistics behind the wedding cake process.

We believe in simplicity and at the same time, we believe in extravagance. There’s something freeing about having only what’s essential, which is a delicious cake of course, but there’s also something beautiful about having “only the best”

It’s our passion to give our couples the gift of delicious, clean ingredients, well-crafted, and one-of-a-kind wedding cakes for their event that will be remembered for years to come.

love, Elizabeth
