The Little Prince

JUNIOR COMPANY FALL SHOW

The Little Prince is an original musical adaptation with libretto and music by Canadian composer Robert Ursan and based on the famous novella written in 1943 by French writer, poet and pioneering aviator Antoine de Saint-Exupéry. The Little Prince is the tale of an airplane pilot, who crashes in the Sahara desert, where he finds a young prince; a boy who comes from a small planet he calls Asteroid 325. The Little Prince tells the narrator that he left his planet to explore others, and in the process has learned valuable life lessons along the way. It is a poignant tale that explores the importance of human connections and the beauty of innocence.
