THANK YOU

Isaac's Way
Fredericton, NB

Proudly serving our community one plate at a time!
Maritime comfort food with a twist and happy to offer a wide variety of plant based and gluten free entrees. Local Art Gallery raises funds for community children.

THIS MONTH'S IMAGE FEATURES ANNIE

Annie was a 10 week old lamb when she was scheduled to be sent to the market. Someone who had bottle-fed Annie wanted a future of certainty and safety for her, and thankfully, we could provide that. Annie is a super snuggler with people she really likes. She now enjoys life at Lily's Place with her sanctuary family.

THIS MONTH'S IMAGE FEATURES MEL

Mel is wishing all her friends a happy fall and a spooky Halloween! Autumn at Lily's Place is one of her favourite times of year. She enjoys crunchy leaves under her hooves in the forested goat paddock, perfectly crisp air, and plenty of pumpkins to snack on with friends. This ThanksLiving, we're especially grateful for Mel's life of safety, friendship, and joy. Her story reminds us of the second chances that farm animal sanctuaries make possible.

THIS MONTH’S IMAGE FEATURES JOSIE

Josie is a sweet senior who came to Lily’s Place with mobility challenges from constricted tendons in her front legs. Her care had fallen behind, leaving her underweight and in need of support. At eleven years old, Josie is finally receiving the care she needs and settling into her golden years in sanctuary.

THIS MONTH'S IMAGE FEATURES GRACIE

Gracie was born at Lily's Place after her mother, Betty, was rescued as a neglected, pregnant sheep. Gracie is the shyest sheep at the sanctuary and tends to keep her distance, until she's grown fond of you from afar. So when she does come over to say hello, it's something truly special. **Gracie would like to wish you and yours a joyful holiday season and a happy New Year!** On behalf of the entire Lily's Place family, thank you for following along with us this year and supporting our mission to provide safe refuge for displaced farmed animals.
