## CLASSROOM NEWS

It is that time of year again. Beginning of the new school year. We are finishing out our summer with our dinosaur unit, then we are back to our Creative Curriculum starting on September 4th.

We will start off with our "Beginning of the Year" unit and go from there. I am so excited for a great new year of playing to learn.

**During the summer months I allowed toys from home, but during the academic school year please leave all toys at home. Toys from home distract from the curriculum.**

Please let us know if you have any questions. Thank you all for your continued support.
