THE SENIOR PORTRAIT GUIDE

---

2024 / 2025

## WELCOME

---

Congratulations on making it to your senior year! It's time to celebrate all your hard work! Senior pictures are a great way to capture this significant moment in your life and create lasting memories. Whether you choose the beach, an urban downtown setting, or opt for a more unique location, remember to have fun and let your personality shine through. Now is the time to think outside the box and genuinely allow your session to represent your unique self! So be bold, and have fun with your session.

These pictures will not only mark the end of one chapter but also serve as a beautiful reminder of the unique experiences and friendships you've made along the way. Enjoy every moment of this special time, and congratulations on reaching this milestone! We've put together this guide that shares our approach, process, and details our senior photography collections. We also offer custom white glove collections for those who don't like to follow the rules and would rather curate their own bespoke senior photo collection.

If you have any questions about our sessions or love what you see and want to inquire about a session, feel free to contact us directly at (757) 214-1424 or email us at [malieviolet@mac.com](mailto:malieviolet@mac.com)

Wishing you an incredible senior year!

# Hello!

As a mother of three teenagers, I understand that the usual senior photo shoots can be boring and lack personality. At this stage of your life, you want your photos to be unique, full of energy, and worthy of sharing on social media. You want them to be unforgettable and make your friends envious. When I saw the options for senior portraits for my own children, I knew I had to do something different and create a unique experience that would make them fall in love with the process of having their senior pics taken.

Gone are the days that you say “cheese” or “smile for the camera!”, and now let me introduce you to more editorial, fashion forward senior sessions that actually feel like a photoshoot. Professional hair and makeup is always included to ensure that you feel pampered and look gorgeous for your session.

With your high school years coming to a close, the possibilities for your future are infinite. This is a time to celebrate your life, and I'm here to help you create a supermodel-inspired senior experience that you'll love and cherish for a lifetime!

## YOU HAVE QUESTIONS

---

Q: What sets you apart from other photographers?

A: I have 14+ years in the industry and I know how to pose and guide clients to make them feel relaxed while looking their very best. I use natural lighting as often as possible and make sure my sessions are intimate & fun!

Q: Will we get the print release to our photos after our senior session?

A: Yes! If your artwork collection includes the digital images or you purchase your full digital image collection A La Carte, you will receive a full print release upon receiving your images.

Q: Can I bring a friend or parent to my session?

A: Yes! Of course, you can bring a parent, a friend or even your pet to your session to ensure you feel relaxed, at ease and confident for your portraits! It's also nice to have someone to assist you with wardrobe changes too!

Q: Will my photos be posted publicly on your site or social media?

A: I respect your privacy and allow each client to decide whether or not they want their photos displayed publicly. I'd love to show off you & your images, if you're game! If not, that's okay, too.

Q: Will our photos get featured in a magazine or blog?

A: While many of our sessions do get featured, this isn't something that is guaranteed. Most publishers are interested in unique senior photoshoots!

Q: Will you Photoshop my images to hide any unwanted pimples, scars etc?

A: Yes, we include cosmetic edits will be made to all of your images, including, skin smoothing, brightening eyes, whitening teeth and removing stray hairs, if there are specific edits you want, these will be charged according to the number and complexity of edits.

## I HAVE ANSWERS

---

Q: Do you have a list of preferred stylists to use?

A: Yes! Once we have confirmed and secured your senior session date and time, I will then book and secure your beauty and hair appointments on your behalf. Those will also be pre-paid before your arrival. We work with the very best in the industry and they will make you look like a supermodel!

Q: Do I have to order prints through you?

A: I highly recommend ordering prints through us, but it isn't required. The difference in quality is huge when it comes to ordering through a professional lab, so I always love to help with prints or, you can order any artwork directly through your online gallery storefront. It's directly linked to my professional lab I use exclusively and they ship directly to you!

Q: What equipment do you use?

A: I use all of the Canon equipment. I always carry the 5D Mark III, 50 mm lens, 85-mm lens, & the 35 mm wide angle lens, among other items.

Q: Can help us select a location or do you offer any sessions in other states?

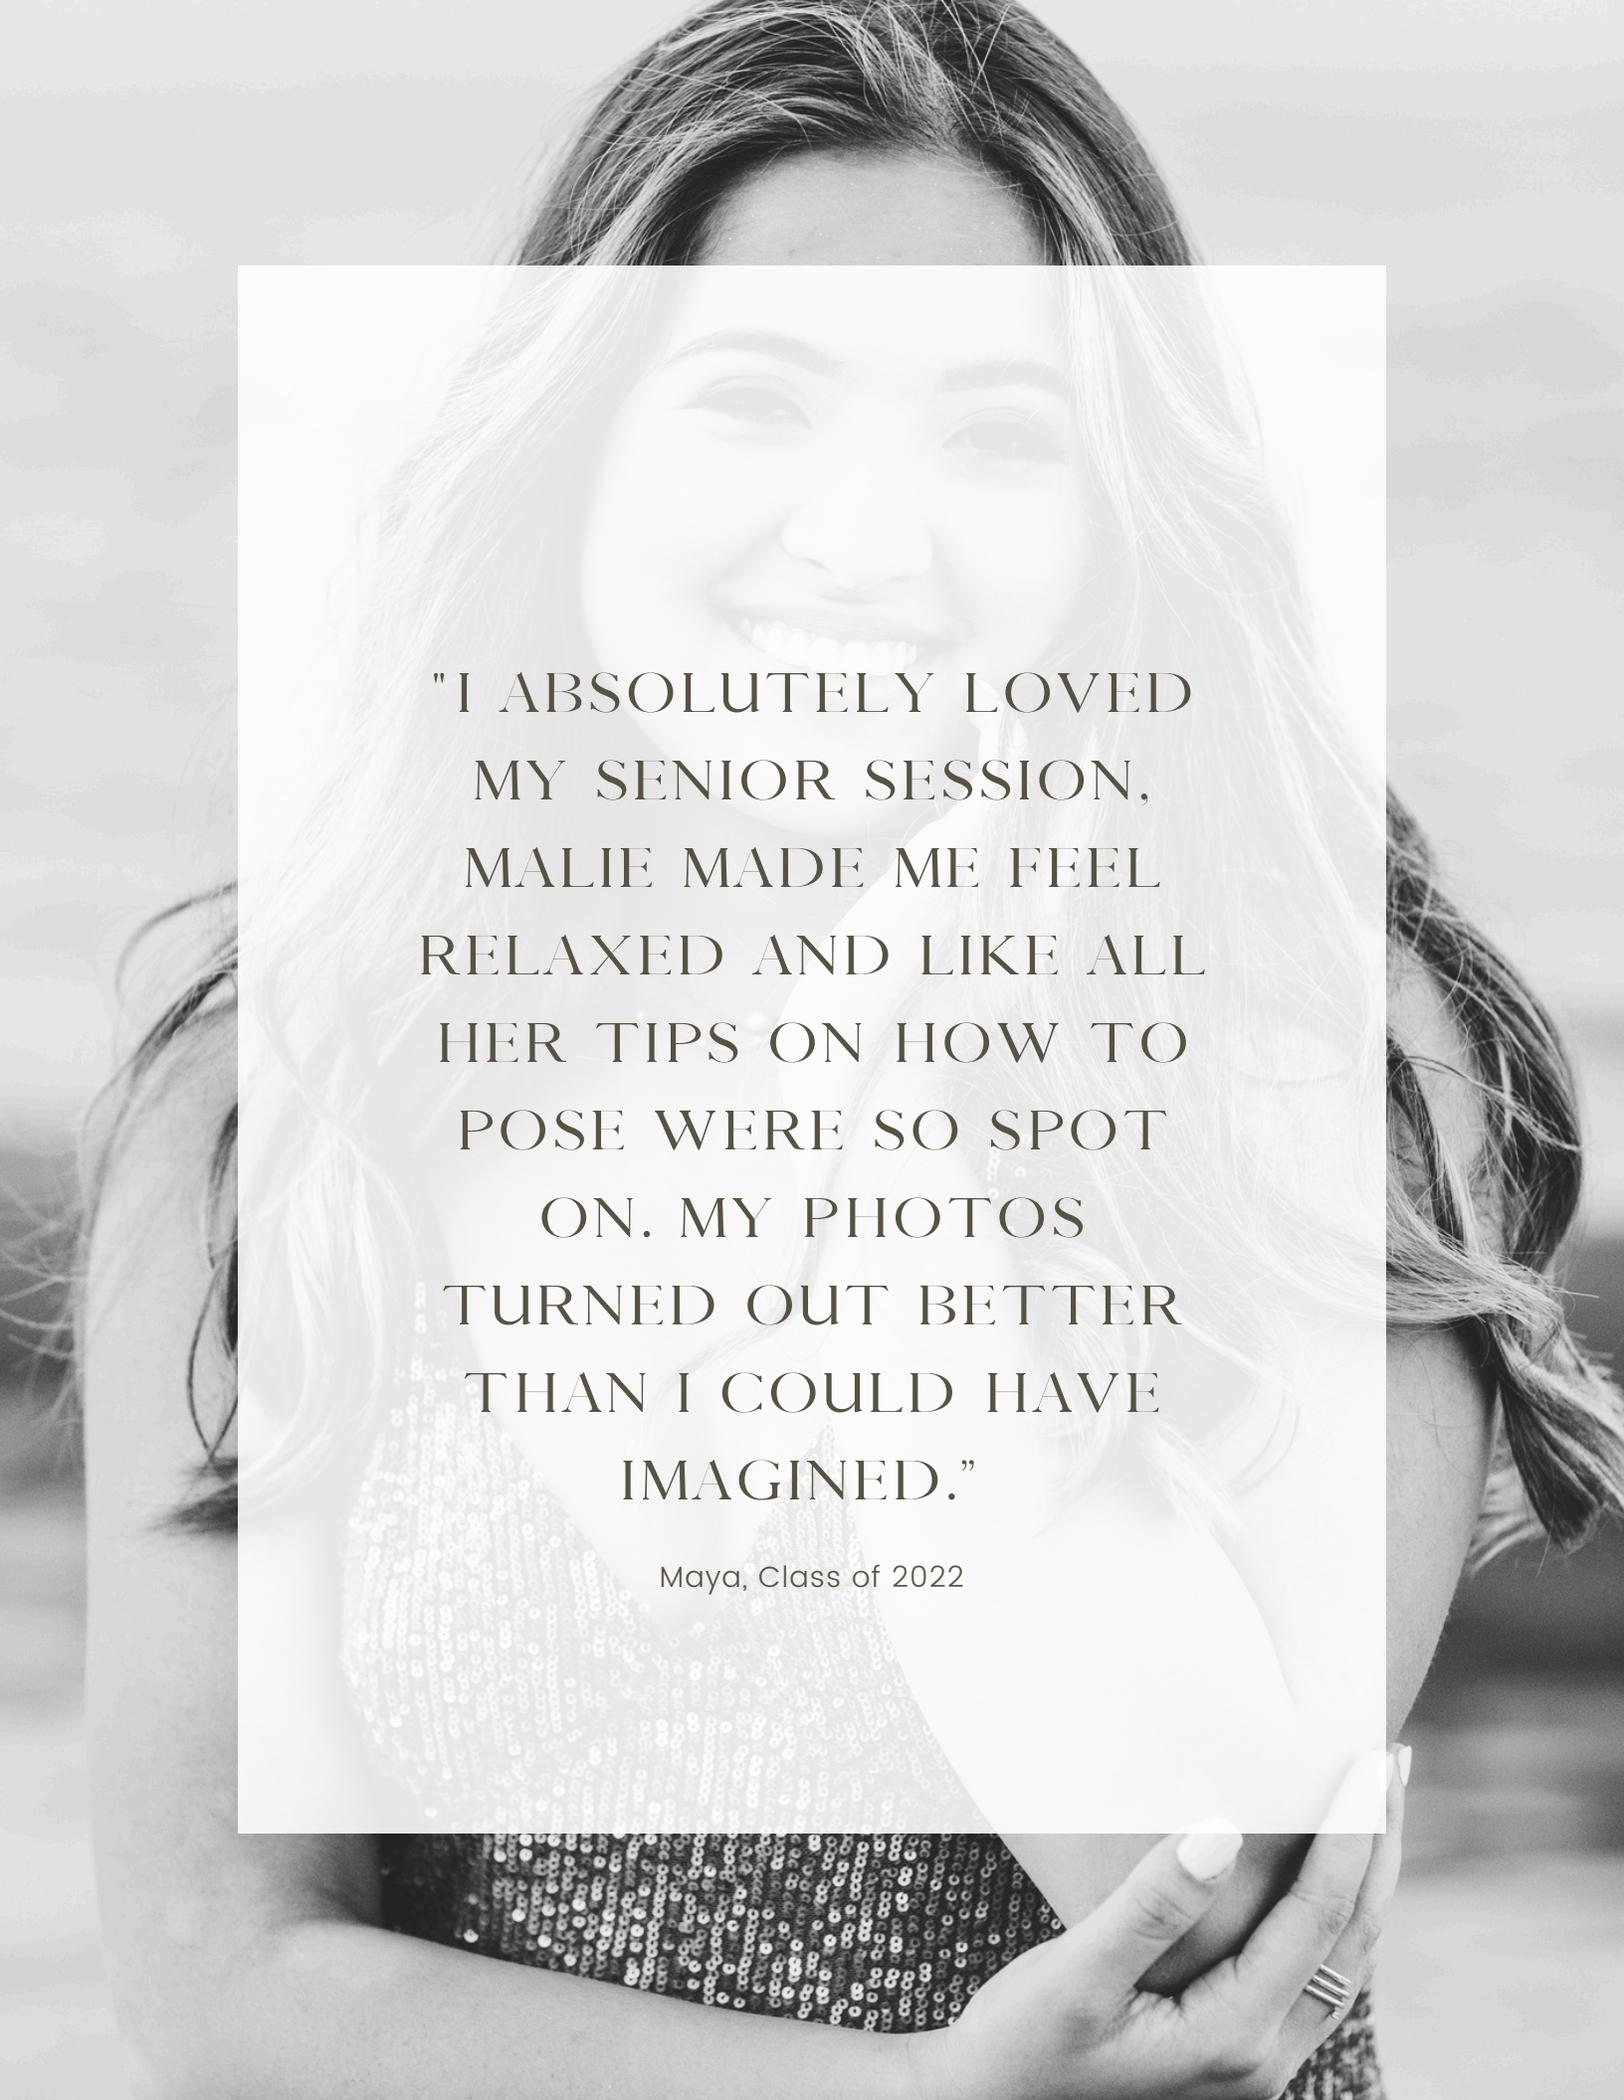

A: Yes! I can absolutely offer some location options and if you would rather take a road trip and go somewhere outside of Hampton Roads. We do have a travel / mileage fee that will be added to your session collection.

Q: Are the people featured on your site models?

A: For the most part, no. While I am lucky enough to work with gorgeous clients, the majority of the images shown on my site and blog are of regular, paying clients.

Q: How do we reserve our senior session?

A: A 50% deposit & signed contract is required in order to get your session on the calendar. The remainder of your balance is due two weeks prior to your senior photoshoot.

"I ABSOLUTELY LOVED
