Description & Goals of the Trip

This is a nationwide conference that serves Special Needs individuals and families. We will organize Bible study, crafts, and recreation sessions for individuals (mostly adults) with physical and intellectual disabilities. We may plan "handi-work" activities for adult women participating in the conference as caregivers. There are whole group worship and teaching sessions in which we may assist as needed.

Accomplishing the *Great Commission*

We will share the Gospel through the activities noted in the description of the trip as we minister to Special Needs families and individuals. We are working with Hope Without Limits Romania (www.hopewithoutlimitsromania.org). They are ministering to these families on a permanent basis to share the love of Christ throughout the year. Our partnership allows us to support their ongoing Gospel work in Romania.

Long-Term Partnership

Rich Fork is working with Bob Hartman International Missions (organizer of the trip) in partnership with Hope Without Limits Romania. This has been an ongoing relationship and has the potential to continue as an annual event. There are other possible trips with Hope Without Limits and a local pastor that are also under consideration for the future.

Interest Meeting:
January 25th, 2026
3:30 pm

Deposit Schedule:
February 9th $1,600
April 10th $1,695

Training Dates:
TBD
