

Website

END OF MONTH SELF ASSESSMENT

Do you have a website?

Yes

No

What changes did you make to your website this month that you're most proud of or most excited about?

What website updates do you still want to make before you call this version of your site "complete"?

Did you create your website maintenance schedule?

Yes

No

Do you have only the pages you need on your website?

Yes

No

Is your menu structure representing those pages correctly and is your site easy to use?

Yes

No

Do you have the proper legal disclaimers in your website footer?

Yes

No

Did you decide to put prices on your website?
What was your reasoning for this choice?

On a scale of 1-10, chart how confident do you feel about your website after focusing on it this month?
