

Diamond Arts Preschool NEWSLETTER

ATTENTION: Due to Fall Break for the public schools, there will be no Preschool on Thursday, October 8th!

A BIRTHDAY MESSAGE FOR THE PARENTS.

Melinda will email you letting you know when she plans on celebrating your child's birthday in class this month. You may let Melinda know when you respond to that email if you wish to bring some small treats or party favors into the preschool on the celebrated day for your child's birthday. We want to make sure our allergies are covered and we have a plan for the day you will be visiting. Thank you so much! It is our wish that each child feels special on their birthday and knows how valued, loved and incredible they are.

OUR FIRST MONTH OF PRESCHOOL

We love our students so much and are so proud of all they have accomplished in our first month of Preschool. We are even more proud of what amazing little human beings you are raising and it is clear what wonderful parents you all are! You have kind, bright and beautiful children and we love teaching them.

As we would say with Odin, our dragon puppet teacher, "BRAVO" on your first month of Diamond Arts Preschool!

OCTOBER THEMES

This month our themes are **CELEBRATING FALL, APPLES & PUMPKINS**, and **HALLOWEEN!** We are excited to play, learn and grow this creative month of October which includes Fall and Halloween fun!

CELEBRATING FALL!

We will spend time this month in our circle time and our lessons learning about weather and leaves. We'll play games to learn our shapes, along with new letters, numbers, and songs. The older 4/5 year olds will have extra classwork assignments that go along with our themes in a more advanced approach.

APPLES and PUMPKINS!

We will have fun with hands on arts and crafts projects every day during our fun fall month of October. We will appreciate how seeds grow into big apple trees and into great pumpkins that we get to have on Halloween every year.

HALLOWEEN!

We will have fun with Halloween crafts, get to have a small party together and we'll learn about sharing and complimenting others on their creativity.

NURSERY RHYMES OF THE MONTH**BAA BAA BLACK SHEEP**

and

ITSY BITSY SPIDER**"PROUD OF ME" PARENT SHOW AND TELL & HALLOWEEN PARTY**

Thank you for participating in our first "Proud of Me" Show and Tell Time On September 30th. This event will occur once a month inside the classroom with your child so parents can see their creativity and projects from that month. After Show and Tell you will take all your child's work home in the provided folder.

For the month of October the "Proud of Me" time is also a Halloween Party with Parents!

On **October 30th @11:10-11:30am** the Parents of the Morning Students will come,

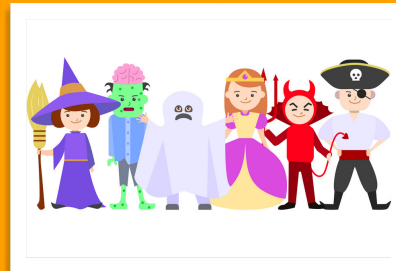

Parents of the All Day and Afternoon Students will come on

October 30th @ 2:10-2:30pm.

NOTE: Your child can wear their Halloween costumes, bring a small "trick or treat" for their classmates and we will have some fun activities! Please make sure their costume is comfortable, not too scary and that they can wear their costume the entire time of preschool without getting distracted or uncomfortable. There will be a detailed email sent to you when we get closer to the date.

**"Children are the reason
to laugh, and to smile,
and to want to get up every morning."**

**"October is a month of nature and beauty
everywhere. Be glad we live in a world
where there are Octobers."**

See you next month!
