I had the pleasure of hearing Suzanne speak at AVAC 2015 and she was fabulous. Energetic, vibrant and inspiring I could have listened to Suzanne speak all day. She had such a warmth to her as she engaged with the audience and shared her tips. I can't wait to hear Suzanne speak again! A five star performance.

I chose Suzanne to speak at my event because, not only is she a subject matter expert on all things branding, but she brings great energy to every event she speaks at. Suzanne didn't disappoint, her bright and engaging talk was a highlight of the event, and received great feedback scores.
