Testimonials

KELLIE AND KANSAS

My fiancé and I had never had professional pictures taken, so we were unsure what to expect. Adya provided us with helpful tips prior to our engagement session so that we were properly prepared, and she made us feel so comfortable during the shoot. We couldn't have asked for a better experience and we absolutely love our photos.

JAMIE AND JONATHAN

Her creativity showed me that photography is not just a job, it is an art. Our wedding photos came out stunning and we would never even think to ask another person. We will cherish those photos forever. She truly captured the joy exuding from our hearts that day.

"A good snapshot keeps a moment from running away."

KATIE AND CODY

She has a photographic vision beyond her years and the photos that she shares give you a chance to cherish your memories for a lifetime.

JASMINE AND BRIAN

By far the most amazing photographer out there. She had the upmost respect for everyone and made our photo dreams come true.

Frequently Asked Questions

HOW ARE THE PHOTOS DELIVERED?

Because I don't believe in making you buy the photos after you've already paid for me to photograph your wedding day, I send you every good photo I take to your email in a free online gallery.

DO YOU BRING A BACKUP CAMERA?

Yes I do! Your wedding day is of the highest importance to me, so I make sure to pack an extra camera just in case my initial one faces problems.

WHAT HAPPENS IF THE WEATHER IS BAD?

No matter the weather, we'll capture beautiful photos! If it rains, we'll embrace it with clear umbrellas and find covered or indoor locations with great light. Overcast days actually create soft, flattering light, which is perfect for photos. I always have a backup plan in mind and will work with you and your planner to adjust as needed—so you can relax and enjoy the day no matter what!

Frequently Asked Questions

DO YOU OFFER ALBUMS OR PRINTS?

Yes! Every wedding collection includes a beautifully designed custom album at no extra cost. It's the perfect way to preserve and showcase your favorite moments. You'll also have access to a professional online gallery where you, your family, and friends can order high-quality prints and wall art directly.

HOW DO WE RECEIVE OUR PHOTOS?

You'll receive all of your edited wedding photos in a beautiful, easy-to-use online gallery. The gallery will stay live for one year, giving you plenty of time to download and share your images!

DO YOU TRAVEL FOR WEDDINGS? IF SO, WHAT IS THE FEE?

Yes! I love traveling for weddings and happily serve couples all across Montana with no additional travel fees. If your wedding is outside of Montana, I'd love to chat about travel options and create a custom quote!

ARE YOU INSURED?

Yes! I am fully insured, and I'm happy to provide proof of insurance if your venue requires it. This ensures peace of mind for both you and your venue on your wedding day.

DO YOU USE A SECOND SHOOTER?

I do! My husband, Dario, is usually my second photographer. If he's unavailable, my brother steps in. I trust them both completely—they care about your day as much as I do.
