

2024 SPRING/SUMMER SEASON

# ADULT DANCE CLASSES

---

## ADULT COUNTRY TWO-STEP

Country Two-Step is a popular country/western social dance that's usually danced to country music. It's a partner dance that consists of a leader and a follower. The leader determines the movements and patterns of the pair as they move around the dance floor. You don't need to sign up with a partner. We'll pair you up! This is a great class for those that have never taken Country Two-Step and for those who have some experience. New steps will be added to those taught in the February Country Two-Step class.
