

WEDDING ALBUMS

In the digital age, we believe print plays a vital role in family history. That's why we believe every couple should invest in a wedding album. Each product is handmade with close attention to detail using the finest archival materials to ensure a long life. RedTree Albums are printed on Fuji Crystal Archive paper and bound by hand. Spreads are creased for a full panoramic view, yielding a seamless transition from page to page.

THE SIGNATURE ALBUM

Our Signature Wedding Album is a 10x10 inch hardcover fabric album including 10 spreads (20 pages) and can accommodate up to 50 images.

You will find options and upgrades below.

\$1000

HOW IT WORKS

If your wedding photography collection includes a Signature Wedding Album then the cost of the Signature Album is included in your collection. Your next step is to look through our upgrade options below.

If your package does not include a Signature Wedding Album and you would like to order one, look through the information below to see what we offer. Every Album starts as a Signature Album and has the options to upgrade size, color, cover type and more.
