IS A

MAGICIAN”

| WHY PHOTOS ARE IMPORTANT

BEFORE WE DIVE INTO ANYTHING ELSE...

Let's talk photos and why it's so important you pick the right person for you!

Your wedding photos will be one of those things that you treasure forever (I hope), and so it is SO important to me that I am able to provide photos you LOVE; I mean these are the photos your future kids may look back on, the photo's that you'll see in years to come and remember the fun you had on your special day.

I love being apart of such wonderful days and can truthfully say I have loved every single past client of mine as if we were close friends. A big part of this comes from the fact that you will realistically spend 90% of your day with your photographer.

More than anything else my priority is making sure I am the right photographer for you. If you love having a bit of fun (maybe with a drink or 10) and want someone who will laugh at all your jokes, then I'm your girl!

| THE EXPERIENCE

WHAT DOES WORKING WITH ME LOOK LIKE?

Well, to put it super simply, I've found it usually feels a lot like you have some paparazzi following you around all day; except, instead of sneaking up from a distance, I get in your personal space.

In all seriousness though I aim to make working with me as pain free as possible and do my best to guide you through the process as much as I can.

After reading through this guide and deciding "yep, we like her" I usually get an email from you saying "let's do this". Your first big wedding photography decision with me is deciding how long you need me! Feel free to email me and we can brainstorm this together!

From there you'll get a welcome email from me with your invoice, contract and a questionnaire (and my mobile number so you can absolutely spam me with texts).

Beyond that I am available to you pretty much 24/7 and we'll organise a time to meet up a few weeks out to discuss more final details.

From there the next time you'll see me will be on your wedding day.

In the days leading up to your wedding you are most welcome to utilise my mobile number and contact me for anything you may need; I tend to make an excellent coffee and snack delivery driver on the morning of!

WHO IS JESS SMITH???

HELLO FRIENDS, I'M JESS

I'm so STOKED you're here. If you're after someone to capture your day as it comes and be right by your side through all the chaos and the crazy then you've found me!

I am a lover of all things messy and wild, and a LOVE enthusiast; which just about makes weddings my favourite place to be.

I'M A CERTIFIED THIRD WHEEL THAT WILL BREAK INTO DANCE AT ANY GIVEN POINT

When I'm not at weddings, or editing photos of them, I'm either helping on the farm (as a born and bred city girl, that's still strange to say) or by the beach (orrr in front of my TV watching Netflix if I'm being real).

| FREQUENTLY ASKED

ANSWERS TO ALL OF YOUR QUESTIONS

WHO DO YOU USE AS A SECOND SHOOTER?

I have connections with many local and inter-city photographer who I full trust and would hire to help me capture your special day perfectly.

WHAT IF YOU'RE NOT AVAILABLE?

If you'd really love to book with Jess Smith Photography but I personally am already booked I will always give the option to have another shooter with you on the day. I have a team of photographers I work with and trust you'd hardly even miss me!

WHAT IF I HAVE A VIDEOGRAPHER?

I LOVE working with a videographer, and find having both is a great way to have every aspect of your day perfectly captured. In your questionnaire I ask their business name so I am able to reach out to them and introduce myself before your wedding!.

DO YOU EDIT THE PHOTOS YOURSELF?

I do! Every image you receive is individually edited by me (with a whole lot of love); whether I am your shooter on the day or not!

WHO DO YOU RECOMMEND FOR ...?

I'm often asked which vendors I recommend for certain aspects of your day (often hair and makeup). I am working on compiling an exhaustive list based on location, but in the mean time send me an email and I'll let you know vendors who have been a pleasure to work with!

WHY SHOULD WE HIRE YOU?

I hope by now you've realised that I am a big believer in finding the perfect photographer for you (whether that is me or someone else) I take care of all of my clients like they are family. I can, and will, help with anything that might come up on your day and want to help make sure you have the best wedding possible.

WHERE ARE YOU BASED AND HOW FAR DO YOU TRAVEL?

I am based in Goomburra, QLD (right up the road from the gorgeous Gordon Country). I service, Warwick, Toowoomba and each of their surrounds (within 200km of my location) with no travel fee!

I do however photograph weddings all over the country! I'm always up for a new adventure so if you have a destination in mind just let me know and we'll see what we can do! Travel fees vary based on location.

”YOU NEED HER IN YOUR LIFE”

My jaw dropped when I received photos from Jess. Jess took what I had envisioned in my head and made it look So. Much. Better. Jess made me feel super comfortable while shooting, often talking through poses and having a laugh, which made getting candid, fun shots feel really natural.

In short, Jess is pure magic with a camera. You NEED her in your life!!
