

Introduction to our Preferred Partners and favourite hotel groups

Earn - With Preferred Partners

Get familiar with some of Inteletravel's **Preferred Partners**. You will earn travel commissions booking with any of the Preferred Partners. Below is a small selection of some of our agents' favourite preferred partners (i.e suppliers).

To see all of our preferred partners and read about what they have to offer, go to your Inteletravel back office, hover over **'Book Travel' menu** and select **'Preferred Partners'** - scroll down this page and this is where you will find - what are called the 'partner tiles'.

Select 'click for more' on the partner tile/s you're interested in - to see an overview of what the partner specialises in, the commission you can earn by booking with that partner, how to log in/register for access and how to make a booking. You will find 'watch the partner webinar' near the bottom of the partner overview.

Pick at least one partner from below, register with them and watch their webinar.

We suggest to start with one or two only (even the most experienced agents will typically use less than 6 of these partners on a regular basis).

ACCOMMODATION ONLY

- Expedia TAPP (our hotel only favourite)
- Ratehawk

(remember you have the STAYS comparison search in the back office home page too).

- Major Travel (long haul)
- Instant Packages (short haul)
