

GISS raised \$11,000 for the AGHW charity in 2016 to help after a cyclone destroyed many homes. The money raised by our school community directly went into rebuilding houses in Fiji, supporting families in need.

A GIRL & HER WORLD

DARE THE BOSS DAY
10 DEC 2020

About AGHW Organisation:

Jane Kennedy founded a Girl and Her World after seeing the barriers to girls education in **Fiji**.

She worked with local **Red Cross** volunteer Urmila, helping Urmila pay for her daughter's education. With only 40\$ she helped keep a girl in high school, contributing to ending the poverty cycle

Fiji Background Info:

Research shows girls are less likely to return to school once the pandemic is over and many will be leaving school for good. This is because it is difficult to access online learning, especially in rural areas. Therefore, AGHW has been buying data plans to help girls attend online classes.
