# Identity Crisis

It's no secret that leaders in business wear several hats at any given time: parent, business leader, community member, volunteer, partner, and so many more. Trying to give 110% to these roles and responsibilities all the time can quickly lead to overwhelm, lack of fulfillment, and burn out. The real secret is this: this balancing act is always hard and there's no magical solution. But there are tactical strategies to seamlessly blend the many roles in life to help turn chaos into calm.

In this session, attendees will develop the confidence to blend work and family goals, commitments, and passions in a way that feels right for them and learn how to keep out of the 'danger zone' that leaves them feeling empty and exhausted. By leveraging effective time management tactics, sustainable financial strategies, and skills for effortlessly balancing their drive, effort, and motivation, they will be able to embrace each of the identities they take on at work, at home, and in the community to achieve happiness, fulfillment, and success.

## KEY TAKEAWAYS:

- **Time Management**  
Effective tactics for structuring their week to stay in control and avoid burnout and overwhelm.
- **Self-Awareness & Confidence**  
Techniques to blend work and family goals, commitments, and passions without losing themselves in the process.
- **Balance and Fulfilment**  
Discover how to navigate the "danger zone" where various roles overlap and instead create space and a sense of ease in daily life.
- **Sustainable Financial Strategies**  
Understand how to manage finances in a way that supports both your business and personal life.

# Pathways to Profit, Profile and Productivity

Need your team to take accountability for their tasks and responsibilities? Not sure they have the tools they need to be successful in their roles? By building their ability to grow their profile, giving them the skills to create more profit and the strategies to become more productive you can have every member of your team firing on all cylinders and creating their best work yet.

## KEY TAKEAWAYS:

- **Profile**

Take responsibility for your tasks, create systems that will add to your value as a team member and as a leader.

# Take off the blinders

Stop hiding from feedback, from your team, your customers and your clients. Feedback is the most under-utilised tool in most Australian companies. Many of us are scared of asking for it and if it comes to us freely, we often don't know how to use it to our advantage. In this session, Stacey walks the audience through the practical strategies they can use on a daily basis to elicit and action feedback in order to grow relationships, build camaraderie and make changes within organisations so that they can reach their full potential.

## KEY TAKEAWAYS:

- Untangling the Differences Between Validation and Feedback
- Simple & Effective Strategies to Actively Ask For Feedback
- Steps to Filter Through and Take Action on Feedback in order to grow and scale

# Neurodiversity and Inclusive Leadership
