meet ashlynn

I'm Ashlynn, the brain and brawn (I'll let you be the beauty) of Ashlynn Mari Photography. I love being able to share in the love of two individuals and feel blessed to get to work with such wonderful people each day!

Based out of Houston, TX, I've been shooting weddings for over 4 years now. And I REALLY love my job. Weddings are my jam but I also love capturing engagement sessions, bridal sessions, boudoir, and the occasional family session!

I am a dog momma to Daisy + Bella and wife to Andy! I have dreams of living on a little piece of property with my parents, siblings, and some little ones (fingers crossed)! I have been insanely blessed to travel the world and have even done so for a wedding! I always have cookie dough in my fridge because it's always a good time for a cookie.

Sit back and relax as you check out some of my work and take a look at my packages!

Frequently Asked Questions

Q: What sets you apart from other photographers?

A: With years of training under my belt, I know how to pose and guide clients to make them feel relaxed while looking their very best. I use natural lighting as often as possible and make sure my sessions are intimate & fun!

Q: Will we get the print release to our photos after our wedding?

A: Yes! Upon receiving your images, you will also get a full print release.

Q: Do I NEED 2 photographers?

A: Having 2 photographers is great for a lot of reasons (more photos, creative angles, less splitting up time). If an additional photographer isn't in the budget for your total amount of coverage, you can add one by the hour and up until 1 month before the wedding

Q: Will my photos be posted publicly on your site or social media?

A: I respect your privacy and allow each client to decide whether or not they want their photos displayed publicly. I'd love to show off you & your images, if you're game! If not, that's okay, too.

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits will be made to all of your images, but I believe our imperfections are what make us beautiful & unique. If there are specific edits you want, these will be charged according to the number and complexity of edits.

Q: Do you have a list of preferred vendors to use?

A: Yes! From wedding planners to florists and caterers, we have worked with some of the best companies in the industry & would love to share their information with you!

Frequently Asked Questions

Q: Do I have to order prints through you?

A: I highly recommend ordering prints through one of my professional vendors, but it isn't required. The difference in quality is huge when it comes to ordering through a professional lab, so I always love to help with prints!

Q: What equipment do you use?

A: I'm a huge canon gal and have been for my whole career! I shoot with 2 full frame, dual card slot mirrorless (yep the newest funnest tech lol) and a ton of lenses!

Q: Do you photograph destination weddings?

A: Yes! My first destination wedding was in Spain and I LOVED it! I am more than happy to create a custom wedding collection to suit your travel needs.

Q: Are the people featured on your site models?

A: For the most part, no. While I am lucky enough to work with gorgeous clients, the majority of the images shown on my site and blog are of regular, paying clients.

Q: How do we reserve our wedding date?

A: A 25% deposit & signed contract is required in order to get your wedding on the calendar. The remainder of your balance is due 1 month prior to your wedding. Once you know which package is the perfect fit I will send over a proposal for you to check out!
