The Heart of Oak Glen,
Captured in One Place

Set on 5.5 acres in the heart of Oak Glen, The Homestead at Wilshire Ranch offers sweeping views of Wilshire Peak and the surrounding mountains. The property is lined with charming paved pathways and beautifully tended garden spaces that invite guests to wander and take in the scenery. Our outdoor ceremony and reception areas overlook the hills, creating naturally stunning backdrops throughout the day. As a private historic venue with more than a century of stories behind it, we host only one event per day, giving each celebration the full attention and atmosphere it deserves.
