He expects some chair team members to drop off this summer.

Debbie gave an update on coffee team. They are experimenting with different set ups for coffee and snacks. A permanent serving area with cabinets, display and security monitoring station are being discussed.

Dan said the volunteer recruitment project is slowly evolving. Kathy is developing a fill-in form to distribute to the various ministry teams.

Linda reported the FirstTeam is going fine.

Dave said May 7th will be the last Family Fellowship until the Fall. There was a lot of praise received about the three table caddies and Josh's lessons. The chair samples are being tested and evaluated. There will be extra chairs purchased for the choir.
