MEET CRYSTAL

I'm Crystal Dawn! Although my specialty is working with families, I take on a VERY select and few number of weddings per year.

Based out of Ottawa ON, I've been shooting weddings for 5 years now. There isn't a day that goes by that I don't have my camera in hand!

After taking a few classes at the Ottawa School of Photographic Arts in 2017, my little business was born! I just love taking photos.

I have a cheerful and upbeat personality but can also be a fly on the wall at your wedding when needed!

I know the moments that need to be captured and will develop a detailed timeline so you can truly be in the moment!

IF YOU HAVE ANY QUESTIONS,
FEEL FREE TO SEND US A MESSAGE!

YOU HAVE QUESTIONS

Q: What sets you apart from other photographers?

A: With years of experience under my belt, I know how to pose and guide clients to make them feel relaxed while looking their very best. I use natural lighting as often as possible and make sure my sessions are intimate & fun!

Q: Will we get the print release to our photos after our wedding?

A: Yes! Upon receiving your images, you will also get a full print release. You can choose to print your images and order your album from my site or feel free to print wherever you normally print your images.

Q: How many photographers will be there at our wedding?

A: All of the very best wedding images will be included. Usually on average 500+ images.

Q: Will my images be edited/retouched?

A: Absolutely! A lot of my clients tell me they have chosen me for my editing style. All your images will be edited by me.

I HAVE ANSWERS

Q: Do you have a list of preferred vendors to use?

A: Yes! From wedding planners to florists and caterers, I have worked with some of the best vendors in the industry & would love to share their information with you!

Q: Do I have to order prints through you?

A: I highly recommend ordering prints through one of my professional vendors, but it isn't required. The difference in quality is huge when it comes to ordering through a professional lab, so I always love to help with prints!

Q: What equipment do you use?

A: I use all of the latest Canon equipment. I always carry the R6 Mirrorless, and a series of lenses. I always store your images on 2 memory cards in dual card slots and upload each image to my external hard drive as well as the cloud.

Q: Do you photograph destination weddings?

A: Yes! For destination weddings I will arrive 2 days before your wedding to ensure I am there on time to account for any delays. I will leave the day after your wedding. All air and hotel costs will be covered by my couples.

Q: How do we reserve our wedding date?

A: A 20% deposit & signed contract is required in order to get your wedding on the calendar. The remainder of your balance is due within one month prior to your wedding.

A photograph of a bride and groom standing outdoors in autumn. The bride is wearing a white lace wedding dress and the groom is wearing a dark suit. They are standing on a grassy area with fallen yellow leaves. In the background, there are trees with some yellowing leaves and a stone path. A large, semi-transparent white rectangular box is overlaid on the center of the image, containing a testimonial in black serif font.
