Unravel
pediatric cancer

You've been Fluttered by your friend _____, along with help from Unravel's official Flutterer_____ !

These dragonflies are spreading the word that **September is Pediatric Cancer Awareness Month.** Along with spreading awareness, they are busy raising funds on behalf of Unravel Pediatric Cancer, a 501(c)(3) charitable organization.

Did you know?

47 Children are diagnosed with pediatric cancer **every single day in the US.**

The NCI (National Cancer Institute), the federal department that allocates all federal cancer funding, spends **less than 4%** of its annual budget on pediatric cancers.

Cancer is the **#1 Disease killer** of our nation's children**.**

Funds raised in this campaign will support some of the most innovative research across the country.
In 2021, the Fluttering Campaign raised over $101,000, allocated to the work of several different researchers.

---

How Fluttering Works: These dragonflies will stay with you for up to 24 hours before they move on to the next family. **Your tax-deductible donation keeps these dragonflies moving!** You may choose the next lucky family these dragonflies will visit using the enclosed "Keep the Fluttering Going" form. *Note : You do not move the dragonflies to their next destination. The official Unravel Flutterer will collect them within 24 hours!*

What You Need to Do: Place the completed form in the envelope with the giant clothespin and place outside where you found it. You may contact _____ (phone/email), the owner of these dragonflies, with any questions.

To Donate: Please visit your Flutterer's donation site:
_____
or place your donation check (made out to "Unravel") in the large envelope. You may also make a PayPal donation to **www.paypal.me/unravelcancer**. We'll take care of the rest!
