WEDDING PHOTOGRAPHY PRICE GUIDE | 2026

CONGRATULATIONS!

Thanks so much for getting in touch with me about your super special big day, and a huge congratulations for sealing the deal!!

I want to say a quick thank you for thinking of me when choosing a wedding photographer. Even after 9 years in the industry, weddings fill me with so much joy and it's an honour to be chosen to document such a special day.

As a wedding photographer, it's my job is to capture the day in all it's glory exactly as it was. I'll be there in the background snapping away, making sure to not miss a single detail! So that in 1, 5 or even 10 years down the track you can look back at your photos and be transported back in time to your favourite day.

MEET AMY

Have you ever thought about the fact that your wedding photographer is the one vendor you spend the most amount of time with, and we are one of the only vendors you speak with weeks or months after your wedding? If you are in the process of trying to find your perfect match when it comes to wedding photography, my number one piece of advice is to look for someone who's work you love, but also someone who you connect with as a person. Search for someone who you feel like you could be friends with, a person whose presence you will enjoy and value on your day.

So that brings me to me, Amy. I'm a Mum, a wife, a CrossFit addict, a latte lover, a book worm and a homebody. I love my friends, I love good burger and chips combo and photography is my love language. I can't wait to connect with you, hear all about your story and help you bring your wedding day visions to life!

"Where do I even begin... Before I had even booked Amy for any photography sessions, I knew it was her that I wanted to one day photograph my wedding. She was my non-negotiable. Looking at her photos, there was just something so special about them - her ability to capture these big life moments so beautifully and naturally. Fast forward a couple of years, Amy photographed our wedding at the beautiful Lazy River Estate. Right from the get go, Amy made every aspect of working with her so seamless and her natural and personable presence behind the camera allowed her to capture every aspect of our day as beautiful as we remember it being. I have always had a love hate relationship with getting photos taken, often disliking more of the photos than I liked however this was not the case when I received the album back from Amy. I can safely say that I LOVE each and every single one of them - including the ones that I probably wouldn't normally."

WHERE TO START?

Whether you're at the very beginning planning stages, or you've been chipping at it away for a little while now, I know how stressful and sometimes overwhelming it can be. But it doesn't have to be that way! Investing in vendors who have years of experience working in the wedding industry will help guide you towards a day that's everything you hoped for, while offering advice and suggestions along the way to make for a stress free and flowing day!

If you're still a little unsure as to where to start or what to start ticking off, here's some recommendations for you:

1. Sit down as a couple and work out your non-negotiables. Make a list, then come together to combine all the important elements and use that to refer back to during the planning.
2. Think about all those important things and use that to determine which vendors are the most important to you to have, and reach out to them asap. Even if you don't have a date, find out their availability and use that to figure out when will be the perfect date for your wedding.
3. Once you start getting quotes, use those numbers to come up with a realistic budget. Then you can start booking in your dream vendors!

FINE ART ALBUMS

PRICES START AT \$2595

Handmade from the highest quality materials and fully customisable to your liking, I'll craft and bind your favourite photos into a fine art wedding album. We'll work together to weave a story and create an album design that you're absolutely in love with. I'll put together a draft copy of your album to view, and if there's additional photos you'd like to add or any you want to swap out, we can make those changes until you're happy.

You'll get up to 3 revisions to note any changes you'd like with my design, and we won't send it off to print until you're 100% happy with the layout. You'll be flicking through this album for years down the track, reliving your special day all over again, so let's make sure its perfect!

Each 8x10 album includes 20 spreads (40 pages), comes standard with linen covers and a custom cover design.

Whether it's displayed on your coffee table or safely tucked away on your bookshelf, you can't go wrong with either.

ENGAGEMENTS SESSION

How many professionally taken photos do you and your partner have, ones that you really love and can fill your home with? An engagement shoot is a chance for us to capture some really beautiful, candid photos of you and your partner in a relaxed environment. Just the two of you, being you.

Plus, if you're a little camera-shy, it's the perfect opportunity for you to practice being comfortable in front of the camera, in the lead up to your wedding day.

Either way, I promise that we'll have a lot of fun while we're at it.

45 - 60 minute session

FREQUENTLY ASKED QUESTIONS

WHERE ARE YOU BASED?

I'm based in Adelaide in South Australia, but I travel all over the country & beyond!

I NEED HELP PLANNING, IS THAT SOMETHING YOU CAN DO?

Absolutely! I will offer advice and help when we have our first chat and we will meet up at 6 weeks to go over all the final details, but there is no limit to how many phone calls or coffee catch ups we have. Consider me like your own personal wedding planning assistant!

DO YOU PHOTOGRAPH ELOPEMENTS?

If you and your partner are thinking of skipping the fuss and running off to do a private ceremony with just the two of you or a handful of your nearest and dearest, I'd be absolutely honoured to document your intimate ceremony. My elopement packages start at 3 hours' coverage, so get in touch if you'd like to learn more.

HOW MANY PHOTOS WILL I RECEIVE?

You'll receive roughly between 500-1000 photos, depending on how many hours we shoot and how jam-packed your wedding day is!

DO YOU PHOTOGRAPH LGBTQI+ COUPLES?

A million times YESS!!! No matter how you identify and regardless of who you love, I'd love to be a part of your wedding day. #loveislove

WHAT IF WE DON'T WANT OUR IMAGES SHARED ON SOCIAL MEDIA?

This is your wedding and if you are uncomfortable with your photos being shared on my social media platforms, I will 100% respect that.

DO YOU HAVE PAYMENTS PLANS?

Yep! Once your deposit is paid, you can pay off the balance however you like in the lead up to the due date, 2 weeks before your wedding. Or we can create a payment plan to suit you and your needs. Plus I even accept credit cards!

WHAT HAPPENS IF I HAVE TO CANCEL?

Life is complicated and the unexpected is to be expected. The deposit is non refundable as this helps to protect my business due to turning away all other booking for your wedding date. If you need to change the date of your wedding, you can do so once with no additional fees. More than once will incur another deposit fee to secure the new date.

DO YOU HAVE VENDORS YOU RECOMMEND?

Yes, from years of experience in the wedding industry I have come to work with some of the top wedding vendors. I have listed some of the stand out vendors on my website. If you would like a specific recommendations, just reach out and I'm sure I will have some suggestions I can send you.

"Amy... Amy... Amy! Where do we start?! You were my non-negotiable vendor for the wedding. You shot both my maternity sessions and there is no one else I would allow to shoot our wedding. Kane and I are so comfortable with you, we always have so many laughs and it makes for great photos. No rigidity, no awkwardness, just a couple able to be themselves in front of a lens. We expected great photos from you, but the amount of comments we've had ALREADY just from our sneak peaks are insane. You truly captured the magic of the day. The added content creation was an amazing bonus, we wanted a videographer but couldn't squeeze it into the budget and your videos have captured some raw and brilliant moments between us. My Instagram/Facebook feed and stories are going to be peppered with these snippets for months and I make no apologies to any of my followers!! We love your work, your creativity and we LOVE YOU!!!"
