### - KEEP IN MIND -

Warrenwood cannot legally sell alcohol. The following offerings include bar services and/or associated materials, but never include alcohol. Therefore, YOU are responsible for the purchase of all alcohol separately.

Some of our offerings are priced per person so your estimated guest count is required to complete your quote. Your final total cost will be adjusted based on your final guest count (due 30 days before your event).

## MEET THE BARTENDER

*Hi, I'm Shae Martin!*

I'm a bourbon lover and UK super fan. I've always been a sucker for a small wager on a football game or an intense hand of blackjack. It may sound cliché, but I love bartending! I like talking to people and I really do take pride in kindly serving every guest their favorite ice-cold drink. My over 20 years of service industry experience started in my family's country restaurant and continued behind the bar of several other Central Kentucky restaurants. In recent years, I've been running an event bartending business of my own, Bottles & Barrels. But, now I'm thrilled to serving exclusively at Warrenwood. Let's celebrate your wedding together!
