

A GUIDE TO YOUR MEDICAL AND SUPPLEMENTAL BENEFITS

Effective January 1, 2026 – December 31, 2026

Preferred Partners of Nicene Network

NICENE NETWORK

Nicene Creed

At the heart of Nicene Network is a shared commitment to the Nicene Creed—the historic confession of Christian faith affirmed by the global church for over 1,700 years.

By affirming the Nicene Creed, our churches stand within the historic lineage of the church, connected to centuries of faithful witness and committed to preserving the integrity of the gospel for future generations.

Our Why

As more churches leave denominations or launch independently, many face isolation and lack the support needed to thrive.

Without structure and resources, leaders are pulled away from their mission. Nicene Network exists to help independent churches launch and stay rooted, supported, and focused on what matters most.

We provide the tools, relationships, and theological grounding churches need to grow healthy, discipling, and reproducing communities.

Mission

We exist to:

- Provide resources and services often found in established Christian affiliations
- Help church leaders focus on their people and mission to grow healthy, discipling, and reproducing congregations.
- Foster a collaborative and healthy culture among church leaders.

Cedar
Health Alliance

For a health plan name, “Cedar” draws on the tree’s symbolism of strength, resilience, and longevity. In faith contexts, cedars (like the Cedars of Lebanon in the Bible, e.g., Psalm 92:12) represent righteousness, prosperity, and unshakeable growth, often associated with building sacred structures like Solomon’s Temple. Cedar conveys a health plan built on a solid, enduring foundation, offering stable premiums and robust value that “weathers” life’s challenges, emphasizing healing and protection rooted in faith.

OVERVIEW OF CEDAR HEALTH ALLIANCE MEDICAL PLANS

The Cedar Health Alliance provides three tailored medical plans—Cedar Health 2000, Cedar Health 3000, and Cedar Health 4000—covering the period from January 1, 2026, to December 31, 2026.

Each plan features a two-tier structure: Tier 1, which provides comprehensive coverage with no deductibles and 100% coinsurance, and Tier 2 which requires members to meet deductibles and out-of-pocket maximums. The plans differ in their Tier 2 deductible and out-of-pocket limits, and all share the same Tier 1 benefits.

When members access care through Tier 1 benefits, they will have access to Direct Primary Care, 1100 + Medications and a marketplace to access services like labs & imaging, surgical procedures and many more at no cost. Tier 2 Benefits will allow members to access providers of their choice at a higher copayment and coinsurance.
