MISSION CHURCH

FIRST IMPRESSIONS

The first impressions ministry is all about making Mission feel like home for every person. We want the experience at Mission Church to feel welcoming and exciting for first time visitors. Interns in this area will work with our dedicated team of volunteers to create a culture of hospitality and community amongst the people of our church and help strategize the first-time experience and develop ways to encourage people to serve.

NEXT STEPS

The next steps team focuses on leading people from being regular attendees to partners with Mission Church who are committed to reaching our city with the Gospel. We want to make sure there are plenty of opportunities for people to plug in at church. We have resources like our Growth Track designed to help people plug in to the heart of Mission Church. Interns in this role will work to ensure discipleship happens at every level in our church.
