

MUSIC POLICIES

Epicenter for the Arts Music Studio specializes in providing private music lessons that are tailored to each student, depending on his/her musical interests and goals. Our teachers work well in multiple styles/genres without compromising proper foundational technique and skills.

Our vision is to “train this generation of performing artists from the inside out.” To develop each student’s heart and skill is the goal of every music lesson.

We are currently providing private lessons in:

Piano

Voice

Guitar

Tuition Rates

Tuition is prepaid each month.

Tuition is due on the first day of the month and is based on the number of actual lessons that will take place in that month. Each month may be different. If a debit/credit card is on file and authorized, the office will manually draft music accounts on the 1st of each month. Check and cash payments can be made at the front desk prior to the first lesson of each month. Lessons will not be given if tuition is not paid. Late tuition will incur a \$15 fee on the 5th day of the month.

30 minute lesson: \$35

45 minute lesson: \$50

60 minute lesson: \$65

Showcase Fees

Live performances are crucial to what we do at the Epicenter! We will end each semester with our Music Showcase at the Epicenter. There will be a \$10 showcase fee due with normal tuition on December 1 and May 1. The showcase fee will include admission to the showcase for the family. Participation in the showcase is not mandatory, but highly encouraged!

Trial Lessons

A 30 minute trial music lesson may be scheduled prior to registration. Trial lessons are a one-time charge of \$35 (the cost of one regular 30 minute lesson) and are set up through the Music Director.

Effective October 2022

Missed Lessons And Make-Up Lessons

Each student will be allowed 2 make-up lessons per semester.

24 hour notice is required in order to receive a make-up lesson (illness or family emergencies being the exception). The music teacher **MUST** be given notice prior to the lesson start time. If a student does not notify the teacher before missing a class, no refund or credit will be given. Each music teacher will be available on two designated make-up days per semester. Make-ups cannot carry over to the following semester. If a teacher misses a lesson without notification, the makeup lesson will be free. Reschedules initiated by the teacher will not count toward the student's 2 makeup lessons for the semester.

Punctuality

Please remember that each student has reserved his/her specific lesson time within the teacher's schedule. The teacher cannot allow a lesson to extend into the next student's lesson time. If the student is late, the lesson will end at the designated time.

Withdrawal From Lessons

If withdrawal from music lessons is necessary, you must withdraw by the 20th of the month or you will be charged for the following month. This must be done in writing and signed off by the front desk; teachers are not allowed to withdraw students. By enrolling in a private lesson, you have reserved a spot that could be released for someone else.

Thank you for your cooperation and understanding of this policy.
