WELCOME

& congratulations

You're entering such a meaningful chapter, and I'm truly honored that you're considering me to document it. Whether you're just beginning to explore your options or you're ready to secure your date, this guide is here to help you understand what I offer — clearly, honestly, and with care.

Inside, you'll find a full breakdown of my collections, what each one includes, and what you can expect from the experience. My goal is to make this part of the process simple and stress-free, so you can focus on what really matters: celebrating, connecting, and being fully present with the people you love.

Let's connect!

HELLO

hey there

Thank you so much for being here. I'm Sarah — a New England photographer who believes your wedding story deserves to be documented with honesty, intention, and care. I photograph all couples and all love, creating a space where you can be fully yourselves without performing or posing.

My work leans into real connection: the quiet in-betweens, the loud joy, the people who matter most. If you're looking for images that feel true to your relationship and a photographer who values comfort, trust, and inclusivity above all else, I'd be honored to be part of your day.

THE PROCESS

how it works

LET'S TALK

Let's connect about your wedding day and the vision you're dreaming up. Share your ideas, preferences, and the moments you want documented. I'm here to collaborate and help create a photography experience that feels uniquely you.

LET'S TALK

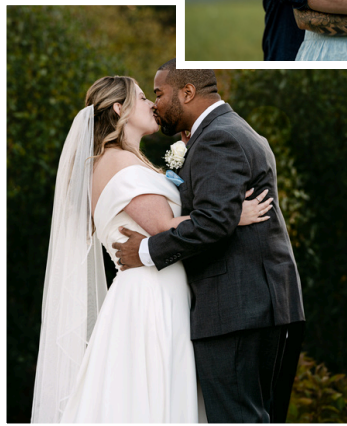

Once your date is secured with a contract and deposit, we'll begin planning your photography experience. You'll also receive a complimentary engagement session to help us connect, get comfortable, and create images you'll truly love.

BOOKING

Once we confirm your booking, I'll send you a contract to sign along with a deposit request to secure your date. We'll also plan the logistics, including a timeline and any special requests you may have.

THE BIG DAY

On your wedding day, my goal is to help you feel present while I document the emotion, the details, and the moments that unfold naturally. Trust that I'll capture your day with care, intention, and storytelling at the heart.

THE ENGAGEMENT

session

Your complimentary engagement session is the perfect chance to celebrate this chapter of your life while getting comfortable in front of the camera before the wedding day. Think of it as a relaxed, low-pressure space where we get to know each other, find your rhythm as a couple, and create images that feel true to who you are.

One of the most important parts of preparing is choosing outfits that make you feel confident and at ease. You'll be looking back on these photos for years — so it matters that you love how you look and feel. I always recommend focusing on a cohesive, timeless palette rather than anything overly trendy. Soft, neutral tones and simple silhouettes tend to photograph beautifully and let your connection shine.

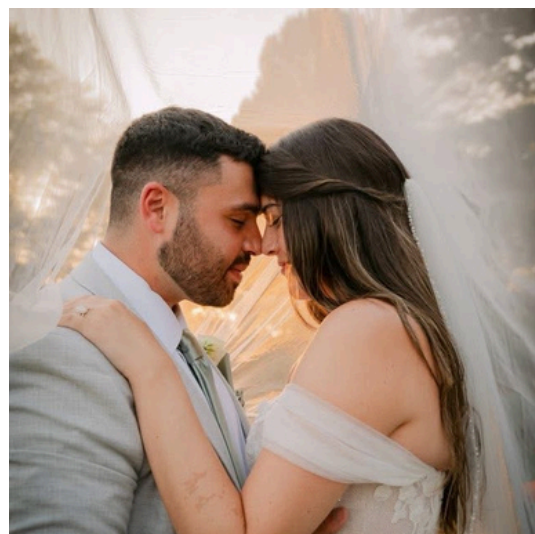

THE *Experience*

Your wedding day is a collection of meaningful moments — big, small, and beautifully unexpected. My approach is rooted in connection and presence, allowing me to document your story with honesty and intention.

This guide is your first look at what working together feels like: supportive, seamless, and centered on what matters most to you. Inside, you'll find details about my process, collections, and how we'll create imagery that feels true to your relationship.

Whether your celebration is grand or intimate, my goal is to capture it in a way that reflects the heart of your day, real, emotional, and deeply personal.

I'm so grateful you're here, and I can't wait to learn more about your story.

FAQ

DO YOU PHOTOGRAPH ALL COUPLES?

Absolutely. All love, all identities, all celebrations are welcome here. No matter your background, gender, orientation, race, or story — I'm here to document you with honesty, respect, and care.

DO YOU BRING A SECOND PHOTOGRAPHER?

Yes. My Platinum Luxe collection includes a second photographer, and one can be added to any package if you'd like additional coverage or multiple angles throughout the day.

HOW DO WE RESERVE YOU FOR OUR DATE?

Once you're ready, I'll send over a contract and an invoice for the retainer. Both must be completed to officially secure your date. After that, we begin planning your timeline, engagement session, and photography experience.

DO YOU TRAVEL?

Yes! I photograph weddings throughout New England and beyond. Travel fees may apply depending on your location, but many nearby areas are fully covered.

WHAT IF WE'RE AWKWARD IN FRONT OF THE CAMERA?

So many couples tell me this — and by the end of the session, they're surprised by how natural it all felt. My approach is easygoing and guided in a way that helps you relax, be yourselves, and genuinely enjoy the experience.

WHY SHOULD WE CHOOSE YOU AS OUR PHOTOGRAPHER?

Because your wedding deserves someone who values your story as much as you do. I approach every celebration with care, intentionality, and respect — honoring all love, all identities, and all traditions. If you want a photographer who captures not just images, but emotion, connection, and memory, I'd be so honored to be part of your day.
