Meet & Greet Proposal

SERVICES

PRIMA VISTA

LOUNGES

To offer our guests an even smoother, more comfortable, and stress-free travel experience, we have introduced an exclusive **Meet & Greet** service available at Italy's main airports (FCO, MXP, LIN).

Following recent operational changes regarding airport transits—which now require baggage claim and new check-in procedures even for connecting flights—this service was created to simplify every stage of the journey.

Thanks to this new partnership:

- ❖ A dedicated assistant will welcome the guest at the airport,
- ❖ Manage all transit and reboarding procedures,
- ❖ Significantly reduce waiting times and travel-related stress.

The service is offered at a flat rate per passenger and is available at major airport hubs.

Another step forward in delivering maximum comfort and five-star hospitality from the very first moment.

Couple Package:
2 people: 420 Euro

Family Package:
4 people: 660 Euro

What the Meet&Greet includes:

- ❖ Reception of passengers at the airport on arrival/departure/transit
- ❖ Assistance with luggage on departure
- ❖ Assistance during check-in
- ❖ Escort to security control (with priority access)
- ❖ Escort to passport control (fast-lane)
- ❖ Escort to the VIP lounge
- ❖ Escort to aircraft/gate with Van Top Class (remote stand only)

To pronounce the service:
