BRIGHTER FUTURES TOGETHER

Terry Fox Event:

On September 19th, Toronto International Academy proudly participated in Terry Fox Sports Day, an event dedicated to honoring Terry Fox's inspiring legacy and supporting cancer research. Students enthusiastically took part in a variety of games and activities, including soccer, badminton, and other fun sports that brought the school community together. In addition to the athletic excitement, students contributed to raising funds for the Terry Fox Cancer Foundation, helping make a meaningful difference. The day concluded with a delicious lunch featuring hamburgers and hotdogs, giving everyone a chance to relax and celebrate their efforts. It was a wonderful, memorable day for all!

BRIGHTER FUTURES TOGETHER

Student Council

Toronto International Academy is proud to announce the formation of its new Student Council, led by Ms. Xuan. The council includes President Lin-A Hwang, Treasurer Siùqian Huang, Marketers Henry Wang and Junhyeok Park, and Events Coordinator Inaya Kim. Together, they are already planning exciting activities such as a bake sale, Halloween celebrations, and potential trip ideas. This enthusiastic team is dedicated to creating engaging events, fostering school spirit, and giving students a voice in shaping their school community.

BRIGHTER FUTURES TOGETHER

University Visits

In September, Toronto International Academy welcomed representatives from the University of Toronto and Queen's University for special visits. They shared valuable insights about the programs and opportunities available at their institutions and answered students' thoughtful questions. TIA students were excited and grateful for the chance to engage directly with these universities. These visits provided an excellent opportunity for students to explore their post-secondary options, gain useful guidance for their futures, and feel inspired about the possibilities that lie ahead.

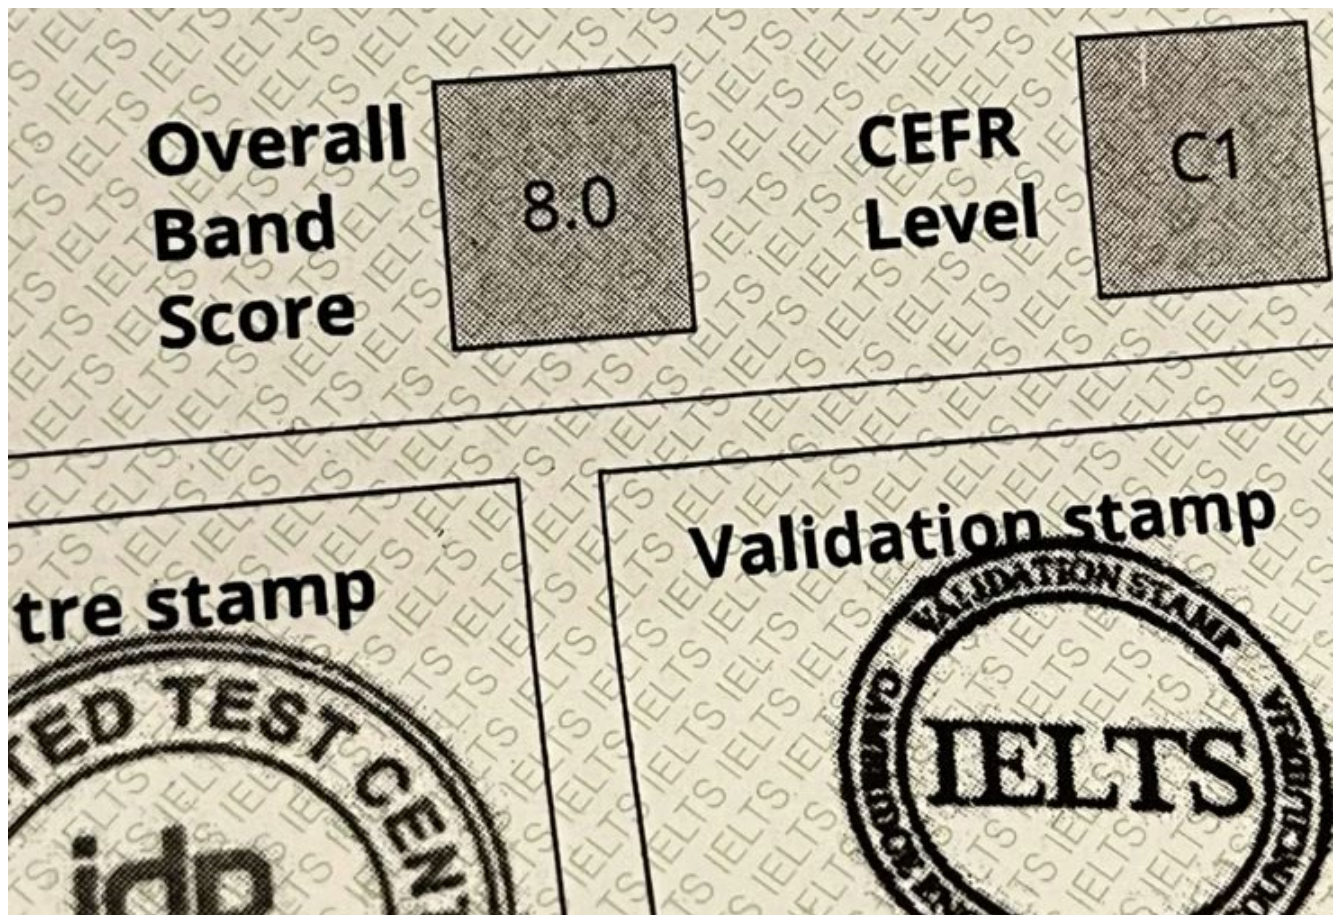

University Fair

On Saturday, September 27, Toronto International Academy took its grade 12 students to the Ontario University Fair at the Metro Toronto Convention Centre. The fair, held September 27–28, brought together representatives from all major Ontario universities. Students had the chance to learn about programs, ask questions, and gather valuable information. This experience proved highly insightful and beneficial, helping students clarify their post-secondary goals and make informed decisions about program selection. It was an inspiring and productive trip for all who attended.

Lunch with Principal

Toronto International Academy recently hosted a special event, “Lunch with the Principal,” for UGP students. Together with the principal and Ms. Dana, students enjoyed a delicious meal at Pur and Simple in Square One. The event was a gesture of appreciation for the students’ dedication and hard work, while also motivating them to continue striving for excellence in the upcoming school year. It was a meaningful opportunity to connect, celebrate accomplishments, and strengthen the supportive bond between students and the school.

IELTS Speaking Prep Classes

Toronto International Academy is pleased to offer free IELTS Speaking classes every Friday as a complementary service for students preparing for English proficiency tests. Since IELTS is the most widely recognized exam for university admissions, these sessions aim to build awareness of test expectations and provide valuable speaking practice. This initiative supports students in gaining confidence and improving performance as they apply to universities. In addition, full IELTS preparation classes will officially begin in October, further strengthening student readiness.

AP exam & Prep Announcement

Toronto International Academy is excited to announce that AP exam registration and preparation classes will open on October 4. Building on last year's strong results, TIA aims to provide students with the same high-quality preparation and support to ensure continued success in their AP studies and future goals.
