

LUXURY RESIDENTIAL

BOSTON PENTHOUSE RESIDENCE

PROJECT LOOKBOOK

INTRODUCTION

Lazare Builders was hired as the exclusive general contractor for the Maison Vernon Development for its expertise in both high-end residential construction and commercial construction organization. Lazare Builders has the experience and structure to “bridge the gap” as a high-end custom home builder, being attentive to the finest details, while implementing commercial construction discipline and organization to stay on schedule and on budget. From intricate plaster crown moldings, rare exclusively imported fine European materials, to complex automated lighting and HVAC systems, this complex project highlights how Lazare Builders’ diverse skills work to such beautiful and functional residences.

THE RESIDENCE

Lazare Builders was also hired by the Homeowner for customizations to this Boston Penthouse Residence. The two-level Home features fully motorized glass walls for indoor/outdoor living and an integrated outdoor kitchen and fireplace area. The Classic Level features hand-cast crown and panel moldings with integrated ceiling cove LED lighting, hand-carved marble fireplace mantels, modern European cabinetry, and imported vein-matched Statuarietto marble countertops. Also included are automated lighting, shade and environmental controls, a two-stage HVAC system with a roof-mounted VRF system and concealed in-wall radiators, wall hung toilets, and UV bonded 45 degree cut shower glass.
