

KAKALAYNE

Ridiculously good design for ridiculously passionate brands

Helping you to elevate your brand through *purposeful* and *intentional* design.

In an era of fleeting trends and cheap design, it's a dedication to creating first impressions and online presences for businesses that do more than just attract attention—they build lasting connections.

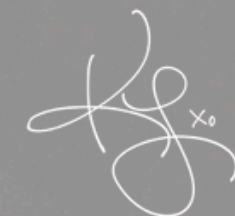

PHILOSOPHY

At the heart of my approach lies a commitment to intentionality, purpose, and innovation. I believe that good design transcends mere aesthetics.

It's about creating a meaningful, lasting impact. It's about fostering human connection within a digital world. It's about evoking a feeling.

My focus is crafting timeless and functional design that resonates with the values and goals of your brand. It's not just about making things look beautiful—it's about designing with a deeper understanding of your business's unique needs, ensuring that your brand not only stands out visually but that what we create aligns perfectly with your strategic objectives. All while enriching the lives of those you serve by cultivating an unforgettable brand experience.

Ultimately, I'm here to bring you
confidence and *clarity* through a first
impression and online presence
that works as hard as *you* do.

01: The Brand *Blueprint*

INVESTMENT: \$5250

TIMEFRAME: 4 to 6 weeks

OBJECTIVE: *To lay a solid foundation and gain a clear vision for your brand*

DELIVERABLES:

- *Style + strategy direction*
- *Brand concept presentation*
- *Primary + secondary logo*
- *Coordinating brand marks, patterns, etc*
- *Stationary + social media pieces*
- *Custom brand guide*

**All projects will be split into payment plans and be invoiced in USD.*

A strong brand identity is the cornerstone of your business's presence. It communicates your values, sets you apart from competitors, fosters connection, and builds trust with your audience. This is about more than creating a logo and curating a color palette. It's about weaving the story of your brand into a tangible and cohesive identity.

The Brand Blueprint begins by immersing ourselves in your business, understanding your mission, vision, and target market. From there, we will utilize creative innovation and strategic thinking to develop a brand identity that not only looks stunning but aligns seamlessly with your business goals.

This is a full branding process that will not only ensure that your brand identity speaks clearly and powerfully, but that you also gain the clarity and confidence you need to move forward in big ways.

02: Website Design *and* Development

INVESTMENT: \$7950

TIMEFRAME: 6 to 8 weeks

OBJECTIVE: *To establish a unique online space to further enrich your brand experience*

DELIVERABLES:

- *Home page design*
- *Six interior page designs*
- *Full blog design*
- *Full launch support*
- *30 days of VIP support following*

**Each page is designed around the copy/content you provide and must be received before the design and development of your website*

**ShowIt requires a subscription. Use 'karalayne' at checkout to receive your first month free.*

With the pivotal role a website plays in your brand's online presence, my focus is on creating bespoke digital experiences that captivate and engage your audience.

My custom website design and development service is powered by the innovative ShowIt platform, a drag-and-drop interface that will allow us to break free from the constraints of back-end coding. This ensures that your website will not only be visually stunning but also user-friendly, responsive, and tailored to your specific needs. And yes, it integrates with WordPress for easy blogging and SEO, powering your business in the best way.

Once we thoroughly understand your brand's ethos and goals to guide the design process, we will wireframe a digital landscape that will help ensure your site is as functional as it is beautiful. Then from there, we will bring it to life.

My commitment is to create a website that not only stands out in design but also excels in performance, making your online presence a powerful tool for business growth.

03: Creative Direction

INVESTMENT: *By quote only*

TIMEFRAME: *Varies*

OBJECTIVE: *To elevate your brand's visual narrative and ensure it aligns with your business objectives*

**Each project is custom-quoted based on scope of work and desired outcome.*

Hiring an external creative director can be a game-changing investment for your business. Whether it's product packaging, marketing campaigns, or social media visuals, my creative direction services will bring a fresh set of eyes and innovative perspective to your project - insights that internal teams might overlook.

My role extends beyond design. We will dive into the heart of your brand to create visuals that not only capture attention but also tell your unique story. An external perspective is crucial for breaking out of echo chambers and injecting new life into your visual strategies.

My approach in creative direction is collaborative and strategic; we work closely together to understand your market, audience, and goals. This ensures that every creative decision, from color palettes to typography, is made with your brand's success in mind. By entrusting me with your creative direction, you're not just getting a service; you're investing in a vision that can elevate your brand, engage your audience more effectively, and set you apart in a crowded market.

The Experience

“I have worked on several projects with Kara and I could *not* imagine working with another designer.”

Not only is Kara super creative and talented, but her ability to listen to what her clients want is immeasurable and a lost quality in today's market - Katina
