Ghost Chairs

Ghost chairs were made for the modern couple, the see-through chairs bring an elegant and unexpected touch to your wedding. Due to the transparent nature of the ghost chair, it allows the natural beauty of the venue to, quite literally, shine through.

Additional Guests

Do you have a few more of your nearest and dearest that you would like to include at your intimate wedding? Invite up to 20 additional friends and family members to share in your special day!

Sweets & Eats

Share an additional sweet treat with your guests by offering them an individual dessert. Guests with a serious sweet tooth will appreciate the bite sized indulgence!

Live Musician

INCLUDED

Include one of our live musicians to play during your intimate wedding to elevate your ceremony through the creation of a more elegant ambience. You will have the option to select songs from our musician's set list to play while your guests arrive and throughout your ceremony.

Hair & Makeup

On the morning of your wedding, you should be relaxed, excited, and ready to get glam! Look your best on your special day by having your hair and/or makeup done at your home or rental unit.

Live Stream

Nearest and dearest can't attend your special day? Consider live streaming your ceremony to share with your loved ones! Using a HD camera and a direct audio feed of the music along with the vows that are said, now your loved ones won't have to miss out on such an important moment in your lives!
