

**HELPS**  
**Meeting Agenda/Minutes**  
**Tuesday, 03-04 2025 7:00AM**

PRESENT(P) ABSENT(A) EXCUSED(E)		
Dave Smith, Chair P	Linda Reeve P	Debbie Failing P
Dan Scheneman P	Chris Stackpole P	

Dave opened with prayer.

Dave began with a chair purchasing report. He said that he had been contacted by John Wopata and Mark Blakely via email and in person regarding cleaning and salvaging chairs to determine if enough viable chairs can be found to use in lieu of purchasing new chairs. He will address these concerns at the next Deacon's meeting on March 11<sup>th</sup>.

Dan presented an updated Volunteer Survey form and requested that Helps Team members review and complete the forms for each of their areas of responsibility. He will make a presentation at the next Deacon's meeting.

Debbie said that she has not received any input from anyone about either continuing using Elios or a different vendor for coffee, so she will continue to use Elios. She reported that the first brew of coffee results in about half of a volume of coffee. It was agreed that based on the age, slow heating and now volume issues, that a request for purchase of a new brewer be made.

Chris said the IT team is waiting on a shipment from Barry Cooper's company so they can test it and then set up a demo regarding security and access for church doors. He is asking if anyone who is experienced in selling things, such as FB Marketplace, if they would contact him to sell off used IT equipment.

Linda said FirsTeam is looking for subs to cover illnesses, vacations and special services, such as Sunrise service and 5-week months.

Due to scheduling issues, we moved the Volunteer Appreciation Picnic to Aug 2<sup>nd</sup>, 4:30-6:30.

The next Helps Team meeting will be April 1<sup>st</sup>... no kidding!
