Here is a little background information about our First Chapter Friday title and its creator. Feel free to add your own notes and thoughts in the bottom box.

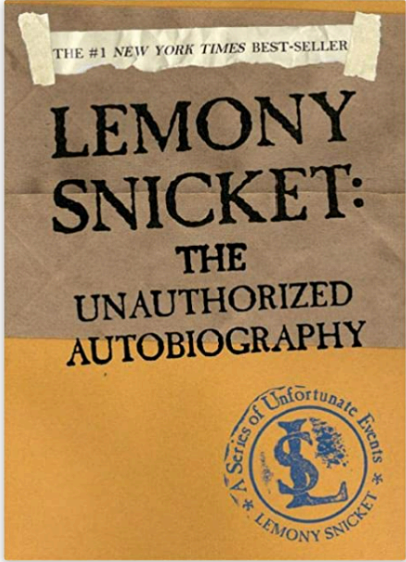

What's It About?

Are you made fainthearted by death? Does fire unnerve you? Is a villain something that might crop up in future nightmares of yours? Are you thrilled by nefarious plots? Is cold porridge upsetting to you? Vicious threats? Hooks? Uncomfortable clothing? It is likely that your answers will reveal *A Series of Unfortunate Events* to be ill-suited for your personal use. A librarian, bookseller, or acquaintance should be able to suggest books more appropriate for your fragile temperament. But to the rarest of readers we say, "Proceed, but cautiously."

The 1st book in a 13 book series!
Now a Netflix Series too!

Who Wrote It?

Lemony Snicket is the penname for a real writer, whom I will not name here. You could read this book to learn more about this fictitious author.

Or you could head to the internet and search for the real person behind the pseudonym! Best of luck and happy reading!
