more can be incorporated to further personalize your wedding suite. Each and every element is carefully tailor-made to ensure your wedding suite design remains timeless and cohesive.

"I cannot say enough great things about Weeiee B. Designs! They helped me dream up our custom invitation suite, wedding programs, labels for our gift boxes, and party goods including cocktail cups, napkins, and, koozies! They even worked with Smylie's mom to design our rehearsal dinner invitations too!"

-FRANCIE HARRIS KAUFMAN

SEMI-CUSTOM DESIGN

Weezy & Sally have a curated collection of chic and timeless designs for our brides to choose from based on their unique wedding style. Once a favorite design has been selected, we work with each bride to make it their own. We know that every bride is different, so we offer several exclusive ways to make each suite custom to fit their vision. Our brides have the option to use the suite as originally designed, or to customize with changes to the color, font, layout, or addition of a motif such as a monogram, cross, crest, watercolor or sketch. Your vision is our ultimate inspiration!

"Weezy & Sally is so creative, efficient and made this part of the process so much fun!"
